SUBJECT: Minority Bank Deposit Program

TO: All State Directors, District Directors, County Supervisors, and Acting Assistant Administrator Accounting, and Director, Finance Office

This AN continues the provisions of FmHA AN No. 611(1902), concerning Treasury Department reporting requirements for public monies on deposit with minority financial institutions.

As stated in previous AN's on this subject, FmHA field offices that have account activity (i.e., Supervised Bank Account and/or Treasury General Account) in a minority financial institution city should prepare the quarterly Treasury report titled, "Federal Deposits in Cities that have Minority Financial Institutions." Enclosed is a blank report which can be copied for further reporting purposes. Please annotate the report to reflect the FmHA field office location (city and state) and the name of a contact person accompanied by his/her telephone number. Also enclosed is an updated roster of minority financial institutions and their locations. The completed report should be submitted to the Financial and Productivity Analysis Division, Washington, D.C. 20250, within 30 days after the close of each quarter.

The next report is to be submitted for the quarter ending December 31, 1982.

INSTRUCTIONS FOR COMPLETING FORM TD F 90.01.1 (1-80)
"Federal Deposits In Cities That Have Minority Financial Institutions"

1. Fill in the name of the Department or Agency and the Calendar Quarter.

2. Check the box describing the type of account. Use as many forms as necessary for each type of account. Do not put more than one type of account on any one form.

3. In column 1 list the name of the organization maintaining the account.

4. In column 2 list the name of the Financial Institution and the city and state in which it is located. Annotate with an asterisk the minority Financial Institutions.

5. In column 3 list the account title.

6. In column 4 list the account number.

7. In column 5 list the total flow of funds for the quarter for Grants and Contracts and Deposits for Credit to the U.S. Treasury. That is the total amount of funds deposited in the Financial Institution for the quarter.

or

8. In column 5 list the average daily balance for any other type of demand accounts. An average daily balance is calculated as follows: the sum of the daily ending balance in the account divided by the number of calendar days in the quarter. For non-business days, repeat the balance as of the preceding business day.

9. In column 6 list the average daily balance for Investments and other types of time accounts, calculated in the same manner as indicated above.
