AR Notice FI-97

For: All District Directors and County Office Employees

Active CCC and FSA Arkansas Claims in County Offices and the Debt Collections Branch in KCFO

Approved by: State Executive Director

1 Overview

A Background

The Debt Collection Improvement Act of 1996 (DCIA) required federal agencies to take aggressive actions to collect any debt owed to the Federal Government.

Actions taken by FSA for farm program debts has included referring delinquent debts to collection agencies, credit bureaus, and United States Department of Treasury of offset of IRS Refunds.

7 CFR 1403 states CPC's Statue of Limitations for administrative offset is 10 years. The Statue of Limitations begins on the date of indebtedness, which is determined, when the claim is established.

The Kansas City Data Warehouse Information System provides several claims reports for State and County use.

B Purpose

The purpose of this notice is to provide County Offices with a list of all the active claims in Arkansas and in the Kansas City Finance Office (KCFO). This notice also instructs County Offices of specific details in handling claims.

2 Information

The attached listing shows all the active claims in Arkansas County Offices and those that have been transferred in the Automated Claims System (ACS) to the Debt Collections Division at KFCO as of October 6, 2004. County Offices should have a hard copy of the claim file in the Office.

All Claims listed with the Code 80 000 under "Responsible State and County" (Resp State – Resp Cty) are being serviced by KCFO.

Disposal Date	Distribution
January 1, 2005	FSA Offices

3 District Director Action

District Directors should use the attached listing for their quarterly review of all outstanding claims, according to 58-FI, paragraph 55 A, page 2-37.

4 County Office Action

For each claim in the attached listing, County Offices shall:

- Set the claim flag in the name and Address File to "Y" for participating producers with outstanding claims.
- Place all claims, that are not recorded in Common Receivables System (CRS), on the manual debt record (FSA-604) .

All Active Claims in the County Offices shall be:

- Collected by internal administrative offset (FSA/CCC) in 3 years or less from the date of indebtedness (Item #9 on FSA-671).
- Referred by memo and referred in the ACS if in bankruptcy, litigation, and /or appeal status. Use the applicable reason code in accordance with Exhibit 7 of 64-FI.
- Referred by memo and referred in the ACS if eligible for termination.
- Transferred to KCFO (80-000) for cross-servicing, if none of the above apply.

When payments are due a producer, verify the payment may be offset and the offset is within the Statue of Limitations period. Make the offset by check to CCC. Apply the check toward the claim in the ACS, mail to the appropriate county office, or mail to KCFO if the claim is being serviced there. If mailing the check, attach it to a memo that references the producer and claim number. The mailing address for KCFO is:
