**E. NAP Coverage Option:**

The Noninsured Crop Disaster Assistance Program (NAP) provides financial assistance to producers of non-insurable crops when a low yield, loss of inventory, or prevented planting occurs due to natural disasters. Non-insurable crops are those not insured by the Federal Crop Insurance Corporation. Eligible crops for NAP are commercially grown for food or fiber (excluding livestock and their by-products), commodities, and industrial crops for which crop insurance, excluding pilot coverage, is not available.

Catastrophic coverage is equal to 50 percent of your expected yield and 55 percent of the expected price for the eligible crop (referred to as Basic 50/55). You are not required to pay a fee or a premium for this level of coverage. Additional coverage options and higher levels of coverage are available with a premium. To avail yourself to these options, you must timely file CCC-471 (NAP Application for Coverage) in any FSA County office.

For additional information regarding NAP, visit FSA's NAP page at:
