FmHA AN No. 2577 (1941)

July 8, 1992

SUBJECT: Recording Non-FmHA Debt Repayment on the Farm and Home Plan

TO: State Directors, District Directors, and County Supervisors

ATTN: Farmer Programs Chiefs

PURPOSE/INTENDED OUTCOME:

The purpose of this Administrative Notice (AN) is to provide guidance concerning the forms of written documentation that are acceptable to FmHA when a creditor is willing to extend terms on open accounts or debts that are all due and payable. The intended outcome is to ensure that feasible plans of operation may be developed.

COMPARISON WITH PREVIOUS AN:

No previous AN has been issued on this subject.

IMPLEMENTATION RESPONSIBILITIES:

Situations may arise in which applicants/borrowers cannot develop a feasible plan of operation due to open accounts and/or judgment debts that are considered fully due and payable.

In such situations, when the applicant/borrower indicates that the creditor is willing to extend terms which would enable a feasible plan to be developed, the approval official must obtain written documentation that an agreement has been reached.

Acceptable written documentation may be in any of the following forms:

1. A promissory note reflecting the rates and terms agreed upon.
2. A dated and signed allonge or attachment to existing promissory note and/or judgment, which states the new rates and terms. Any revision of terms in a court-ordered judgment would have to be approved by the court with guidance from OGC.

EXPIRATION DATE: June 30, 1993
