FmHA AN No. 2880 (1943-A)
October 4, 1993

SUBJECT: Targeting of Farm Ownership (FO) Direct Loan Funds for Socially Disadvantaged Applicants (SDAs)

TO: State Directors, District Directors and County Supervisors

ATTN: Farmer Programs Chiefs

PURPOSE/INTENDED OUTCOME:

The purpose of this FmHA Administrative Notice (AN) is to transmit the State and County target participation rates (TPRs), and provide further guidance on the process of targeting direct FO loan funds to socially disadvantaged applicants (SDAs). The intended outcome is to ensure uniformity among the States in the process of designating counties and providing targeted assistance to SDAs in Fiscal Year (FY) 1994.

COMPARISON WITH PREVIOUS AN:

This AN replaces FmHA AN No. 2592 (1943), dated July 16, 1992, which expired on March 31, 1993.

IMPLEMENTATION RESPONSIBILITIES:

The process for targeting direct FO loan funds is prescribed in FmHA Instruction 1943-A, Exhibit B. This regulation does not set forth the method for determining which county(ies) will be designated to use direct FO loans for SDAs.

Attached are the revised County and State TPRs for FY 1994. The State TPRs have been updated to show the current rates for all SDA groups based on the 1990 Census and the rates for gender (women) base on the 1987 Census.

The County TPRs have been revised based on the 1990 Census for all SDA groups except gender or women as a group. The 1987 Census contains the latest data based on gender, but the data does not contain a county-by-county breakdown on female farm operators. Therefore, the State Director must monitor FO loan making in the State to ensure that women receive SDA FO loans consistent with the State's TPR for women.

EXPIRATION DATE: October 31 , 1994

FILING INSTRUCTIONS:
Preceding FmHA Instruction 1943-A

FmHA Farmers Home Administration is an Equal Opportunity Lender.
Complaints of discrimination should be sent to:

2880(1943)

The State Director will designate the agricultural counties which will participate in the SDA program in October of each year. The designations will be based on the county target participation rates, and one or more counties in each State will be designated for use of direct FO loan funds.

A State map showing the designate counties will be submitted to the National Office, Emergency Designation Staff, by November 30 of each year.

If practicable, the FO funds targeted for the State should be allocated to the designated agricultural counties, with the county having the highest target participation rate receiving the highest allocation and so on in descending order. If it is not practicable to allocate the FO funds in such a manner, then the State Director may allocate the funds on a first come, first serve basis in those designated counties only.

State Directors need to make sure that everything possible has been done to assure that SDA targeted assistance is obligated in their States prior to the end of the fiscal year. This include developing a SDA Outreach program for State and County offices.

Any unobligated FO funds for SDA may be pooled by the National Office in July 1994, and reallocated to other States. The Administrator may pool otherwise if determined necessary.

The targeted direct FO funds will be used only to purchase farmland for SDAs. However, nontargeted direct FO funds may be used, if available, for farm improvements and other authorized purposes to supplement the targeted loan funds. Also, subordinations and/or participation credit are authorized for SDAs. Further more, guaranteed FO loans may be made to eligible SDAs for any authorized purposes set forth in the regulations.

The County and State TPRs do not include Puerto Rico, Virgin Islands, Guam, American Samoa and the Trust Territories of the Pacific. The 1990 Census data for these territories are not yet complete. Based on the latest available information, the TPRs for these areas should be as follows:

- o American Samoa..... 98 percent
- o Guam..... 86 percent
- o Puerto Rico.....100 percent
- o Trust Territories of the the Pacific Islands..... 98 percent
- o Virgin Islands..... 87 percent

State Directors may exceed their State TPRs, where necessary, to meet the request of SDAs.
