DCP and ACRE Sign-up

FSA will begin sign-ups for DCP and ACRE for the 2013 crops on **Feb. 19, 2013**. The DCP sign-up period will end on Aug. 2, 2013; and the ACRE sign-up period will end on June 3, 2013.

The 2013 DCP and ACRE program provisions are unchanged from 2012, except that all eligible participants in 2013 may choose to enroll in either DCP or ACRE for the 2013 crop year. This means that eligible producers who were enrolled in ACRE in 2012 may elect to enroll in DCP in 2013 or may re-enroll in ACRE in 2013. Likewise producers who were enrolled in DCP may opt for ACRE enrollment.

Hispanic and Women Claims of Discrimination

The voluntary claims process will make available at least \$1.33 billion for cash awards and tax relief

payments, plus up to \$160 million in farm debt relief. There are no filing fees to participate in the program. Claimants can obtain a claims package in through the toll-free number or by visiting the website below.

SURE Program

The Supplemental Revenue Assistance Payments (SURE) Program provides assistance to producers suffering crop losses due to natural disasters occurring through Sept. 30, 2011. To receive SURE payments, an eligible producer must have qualifying losses of at least 10 percent production loss affecting at least one crop of economic significance due to natural disaster on a farm in a disaster county.

Producers outside a declared disaster county are eligible if they experience production losses greater than or equal to 50 percent of normal production in the farm. To be eligible for SURE, a producer must have obtained a policy or plan of insurance for all crops through the Federal Crop Insurance Corporation and obtained Noninsured Crop Disaster Assistance Program (NAP) coverage, if available, from the Farm Service Agency. Forage crops intended for grazing are not eligible for SURE benefits. Sign up deadline is June 7, 2013.
