DCP and ACRE Sign-up

FSA will begin sign-ups for DCP and ACRE for the 2013 crops on **Feb. 19, 2013**. The DCP sign-up period will end on **Aug. 2, 2013**; and the ACRE sign-up period will end on **June 3, 2013**.

The 2013 DCP and ACRE program provisions are unchanged from 2012, except that all eligible participants in 2013 may choose to enroll in either DCP or ACRE for the 2013 crop year. This means that eligible producers who were enrolled in ACRE in 2012 may elect to enroll in DCP in 2013 or may re-enroll in ACRE in 2013. Likewise producers who were enrolled in DCP may opt for ACRE enrollment.

The Sutter/Yuba/Nevada County office will be conducting sign-ups for DCP by appointment only.

[Read more about DCP and ACRE](#) or contact the Sutter/Yuba/Navada county office at 530-671-0850 for an appointment to enroll.

New Microloan Program

The Farm Service Agency (FSA) developed the Microloan (ML) program to better serve the unique financial operating needs of beginning, niche and the smallest of family farm operations.

The program will operate similar to the Operating Loan program but will include reduced requirements for managerial experience and loan security, as well as reduced paperwork. The microloan program can be used for such expenses as annual crop inputs, marketing and distribution expenses, purchase of livestock and equipment, and minor farm improvements such as wells and coolers. Eligible applicants may obtain a microloan for up to \$35,000. The repayment term may vary and will not exceed seven years. Annual operating loans are typically repaid within 12-18 months of when the loan is closed. The interest rate is the same as the regular Operating Loan (currently 1.25%).

MILC Contracts Extended

Dairy producers enrolled in the Milk Income Loss Contract program (MILC) will have their contracts automatically extended through Sept. 30, 2013. There is no need to re-enroll in the program. The MILC program was part of several FSA-related programs that were continued with the extension of the 2008 Farm Bill. Dairy operations may select a new production start month and to do so must visit the Sutter/Yuba/Nevada county office between Feb. 1 and Feb. 28, 2013 (relief period.). Please call 530-671-0850 to make an appointment.

Hispanic and Women Claims of Discrimination

Hispanic and women farmers and ranchers who allege discrimination by the USDA in past decades can file claims until March 25, 2013.

The process offers a voluntary alternative to litigation for each Hispanic or female farmer and rancher who can prove that USDA denied their applications for loan or loan servicing assistance for discriminatory reasons for certain time periods between 1981 and 2000.

The voluntary claims process will make available at least \$1.33 billion for cash awards and tax relief payments, plus up to \$160 million in farm debt relief. There are no filing fees to participate in the program. Claimants can obtain a claims package in through the toll-free number or by visiting the website below.

Deadline for Claims: **March 25, 2013.**

IRS 1099-G Changes

Calendar year 2012 brought changes to the way FSA reports farm program payments to the producer and to the IRS.

In past years, IRS Forms 1099-G would be issued to show all program payments received from the Farm Service Agency, regardless of the amount.

For calendar year 2012, producers whose total reportable payments from FSA were less than \$600 will not receive IRS Form 1099-G. Also, producers who received payments from more than one county will only receive one Form 1099-G if the total of all payments from all counties was \$600 or more.

The same changes will apply to those who normally receive IRS Form 1099-MISC from FSA.

SURE Program Status

The Supplemental Revenue Assistance Payments (SURE) Program provides assistance to producers suffering crop losses due to natural disasters occurring through Sept. 30, 2011. To receive SURE payments, an eligible producer must have qualifying losses of at least 10 percent production loss affecting at least one crop of economic significance due to natural disaster on a farm in a disaster county.

Producers outside a declared disaster county are eligible if they experience production losses greater than or equal to 50 percent of normal production in the farm. To be eligible for SURE, a producer must have obtained a policy or plan of insurance for all crops through the Federal Crop Insurance Corporation and obtained Noninsured Crop Disaster Assistance Program (NAP) coverage, if available, from the Farm Service Agency. Forage crops intended for grazing are not eligible for SURE benefits.

Deadline for the 2011 SURE Program sign-up is June 13, 2013. If you would like to make an appointment to sign-up for the program please call the Sutter/Yuba/Nevada county office at 530-671-0850 ext. 2

Payment Limitations (PL)

All payment eligibility and payment limitation provisions, including AGI limitations, are extended for the 2013 crop year, program year, and fiscal year.

All rules and requirements effective for 2012 program payments and benefits are applicable to eligible recipients of 2013 program payment and benefits. This includes the requirements of actively engaged in farming, cash-rent tenant, substantive change, minor child, and spousal provisions. Payments will continue to be limited by direct attribution to person and legal entity.

Additional information on payment limitations is available at FSA county offices or online at: www.fsa.usda.gov

Guaranteed Loan Program

The Farm Service Agency loan limit for the Guaranteed Loan Program has increased to \$1,302,000. The limit is adjusted annually based on data compiled by the National Agricultural Statistics Service.

The lending limit increases every year according to an inflation index. The maximum combined guaranteed and direct farm loan indebtedness has increased to \$1,602,000.

As a reminder, the one-time loan origination fee charged on FSA guaranteed farm ownership and operating loans is 1.5 percent of the guaranteed portion of the loan.

Electronic News Delivery

The USDA Farm Service Agency offices have moved to a paperless news distribution system.

Producers are asked to enroll in the new GovDelivery system, which provides notices, newsletters and electronic reminders instead of a hard copy through the mail.

FSA, like many other organizations, is trying to work smarter and be more efficient. Moving to electronic notifications via email helps conserve resources and save taxpayer dollars. Producers can now subscribe to receive free email updates by going to www.fsa.usda.gov/subscribe.
