**LOW-DOC OPERATING
LOANS AVAILABLE**

The Low-Documentation Operating Loan is made to eligible applicants based on reduced documentation or paperwork. Lo-Doc loans are available to producers with operating loan requests of \$50,000 or less (as long as their total FSA debt will not exceed \$100,000 at the time of loan closing) or to existing FSA borrowers who have made timely payments for at least two previous annual operating loans with FSA.

Prospective applicants must be current on all payments to all creditors and must not have received primary loan servicing on any FSA debt within the last five years.

Call the local Farm Loan team in the Yuba City office at (530) 671-0850 for more information.

**FEDS, FARMERS &
FRIENDS FEED
FAMILIES PROGRAM**

When school lets out for the summer, youngsters who receive free and reduced price meals

through the National School Lunch and School Breakfast programs are at a higher risk of going hungry. These tough economic times mean that needy families across America are increasingly turning to emergency food assistance agencies (such as food banks, pantries and soup kitchens) to put food on the table at the same time these agencies are experiencing a decrease in donations. The good news, however, is that our opportunity to make a difference is great.

This summer, USDA is sponsoring the Feds, Farmers and Friends Feed Families program. Our office has a box where you may leave non-perishable food items through August 31st to be donated to a local food closet. So, join us in this effort to help Yolo's own.
