Part 1 Basic Program Provisions

Section 1 Handbook Provisions

1 Handbook Purpose and Authority

A Purpose

[7 CFR Part 1434] This handbook provides general instructions for administering loans and LDP's for honey.

Use this handbook with 8-LP, as applicable.

B Sources of Authority

Authority for the policies prescribed in this handbook is in:

- 7 CFR Part 1434
- •*--The Agriculture Improvement Act of 2018--*
- Consolidated Appropriations Act, 2016.

2 Administrative Responsibilities

A Responsibilities

The responsibilities of the administrative levels for loan and LDP programs are provided in the following table.

IF the administrative							
level is	THEN						
National Office	• the CCC Board and Executive Vice President shall determine policy and program provisions						
	• the Executive Vice President, CCC, or designee, shall:						
	• make a determination on any question arising under this program						
	 revise or rescind an incorrect determination made by COC STC, KCCO, KCAO, or KCFO 						
	• PSD shall administer loan and LDP programs under the general supervision and direction of DAFP.						
State Office	STC shall:						
	 determine State-wide policy according to this handbook, *8-LP, and guidance received from the National Office* 						
	• administer all phases of the program in the State through SED.						
	Note: STC may:						
	• correct, or require COC to correct, any action taken that contradicts this handbook and other current policy						
	• require COC to withhold taking any action that is not consistent with this handbook and other current policy.						

102 Marketing Loan Gain, LDP, and AGI Limitation for 2019 Through 2023 Crop Years

*--A Payment Limitation for 2019 Through 2023

For the 2019 through 2023 crop years, there are no payment limitations on LDP's, and marketing loan gains associated with the MAL program.

* * *

B AGI Limitation Rules

A person or legal entity shall not be eligible to receive marketing loan gains or LDP benefits during the 2019 through 2023 crop years if the average AGI exceeds \$900,000.--*

Exception: If the AGI limit is exceeded, the person or entity is eligible for MAL, but the loan **must** be repaid at principal plus interest, or with a CCE, if applicable, before loan maturity.

Part 3 Loanmaking Provisions

120 Basic Loan Provisions

A Basic Loanmaking Provisions

A marketing assistance loan is available for honey stored on the farm and will be:

- considered farm-stored loans
- made on CCC-677.

For honey stored on the farm, use CCC-633 (Honey) for producers to:

- request honey loans
- certify the following:
 - quantity
 - single predominant floral source
 - color.

Complete CCC-633 (Honey) according to paragraph 125.

Use the applicable crop year loan rate in Exhibit 16 to calculate the loan amount.

Note: Additional containers of honey shall not be added to lots of honey pledged as collateral at any time after the loan is disbursed.

Distribute the following to the contact producer:

- CCC-601
- copy of the approved CCC-677 with producer signatures
- copy of the approved computer-generated CCC-677.

*--B 2019 Through 2023 Crop Honey Loan Rate

The national average loan rate for the 2019 through 2023 crop year honey is \$0.69 per pound.

County Offices shall use \$0.69 per pound to calculate initial disbursements and transfers for 2019 through 2023 crop year honey.--*

120 Basic Loan Provisions (Continued)

C Initial Loan Requests

Eligible producers may obtain a honey loan up to 100 percent of certified quantity stored in eligible containers and stored in approved farm storage.

D Loan Number Register

--CLPS will assign a loan number for each crop year.--

* * *

E Joint Loans and LDP's

Loans and LDP's must be disbursed jointly if the honey is jointly owned or stored in the same eligible container.

F Maturity Date

The loan will mature 9 months after the month in which CCC-677 is approved by CCC.

The following table shows applicable maturity months. Loans **cannot** be extended.

Month Disbursed/Approved	Maturity Month (Last Day)
April	January
May	February
June	March
July	April
August	May
September	June
October	July
November	August

204 Eligible Quantity (Continued)

E Producer-Packer Quantity

A producer-packer may receive LDP for 100 percent of the quantity certified to and indicated on CCC-633 EZ, if **all** of the following conditions are met:

- a spot check is performed at the producer's expense **before** disbursement of LDP
- signed certification is provided as disposition evidence by the producer-packer who:
 - certifies to the quantity on CCC-633 EZ
 - packages and **will** dispose of the certified quantity of honey through bee feeding, personal sales for quantities packaged for retail, gifts, or personal use.

F Production Evidence for Fed Quantities

For fed honey, LDP's should be requested as direct LDP's according to paragraph 201.

The maximum quantity allowed is based on 4 pounds of honey fed to each colony on a monthly basis during the months of February, March, and April.

- **Example:** Producer has 150 colonies, which were fed during February, March, and April. Producer will be eligible for 1800 pounds of fed honey.
 - *--Note: If the feeding dates are within reason, use the LDP rate in effect for the date the producer certifies that the commodity was fed.--*

601 Marketing Loan Repayments (Continued)

D Production Evidence Required

For loans that are repaid under the marketing loan provisions **and** are selected for spot check, require the producer to submit production evidence to the County Office. See:

- Part 5 for:
 - determining acceptable production evidence
 - submitting production evidence

E Market Gain Reported to IRS

The market gain is the difference between the loan principal that is liquidated and the amount needed for the marketing loan repayment, when the marketing loan repayment amount is less than the loan principal amount that is liquidated.

The commodity loan gain is the difference between the loan principal amount that is liquidated and the amount needed for the CCE, when the CCE repayment amount is less than the loan principal amount that is liquidated.

The amount of both the market loan gain and commodity loan gain are reported to IRS.

F Denied Market Gains

Part or all of a producer's calculated market gain shall be denied if **any** of the following apply:
