## **Changing Banks**

Almost all Farm Service Agency payments are made electronically using direct deposit.

To keep the system running smoothly, it's critical to keep the county office staff up to date on changes in your financial institutions.

If you have changed accounts or institutions that affect the direct deposit of your FSA payments, contact the FSA county office so we can update our files to insure continued uninterrupted service.

---

## **Selling Land**

If you plan on selling farmland, you should be aware of several consequences associated with FSA programs. For example, if you're planning to sell land that's enrolled in the Conservation Reserve Program, the buyer must agree to continue the enrollment. If the buyer doesn't continue the CRP contract, you may be required to refund all of the payments you've received to date. Reviewing program implications with your local Farm Service Agency staff before completing a sale of farmland is always a prudent precaution.

## FSA Signature Policy

Using the correct signature when doing business with FSA can save time and prevent a delay in program benefits. The following are FSA signature guidelines:

- Spouses may sign documents on behalf of each other for FSA and CCC programs in which either has an interest, unless written notification denying a spouse this authority has been provided to the county office
- Spouses shall not sign on behalf of each other as an authorized signatory for partnerships, joint ventures, corporations, or other similar entities

For additional clarification on proper signatures contact your local FSA office.

## Increased Guaranteed Loan Limit

The Farm Service Agency has announced that the loan limit for the Guaranteed Loan Program has increased to \$1,302,000. The limit is adjusted annually based on an inflation index and data compiled by the National Agricultural Statistics Service.

As a reminder, the one-time loan origination fee charged on FSA guaranteed farm ownership and operating loans is 1.5 percent of the guaranteed portion of the loan.

Producers should contact their FSA County Offices with questions about farm loans.

## 2011 Supplemental Revenue Assistance Program Applications

The Farm Service Agency (FSA) will continue to accept SURE applications for 2011 crop losses through June 7, 2013. The SURE Program provides payments to producers when crop revenues are less than the crop guarantee. The SURE Program payment is equal to 60 percent of the difference between the crop guarantee and revenue.

To determine the guarantee and revenue for the SURE Program, all crops on all farms for a producer are included in the calculation. Payments under the SURE Program are limited to \$100,000.

To be eligible for the 2011 SURE Program, producers must have crop insurance on all insurable crops. For crops that are not covered by crop insurance such as pumpkins and cucumbers, producers must have purchased Non Insured Crop Disaster Assistance Program (NAP) coverage at FSA. The crop insurance and NAP purchase requirement is waived for crops that are not economically significant to the farming operation. In addition, for SURE Payment the producer must have at least one crop with a 10 percent production loss.

For more information concerning the 2011 SURE program or other Farm Service Agency programs, contact your local FSA office or visit [www.fsa.usda.gov](http://www.fsa.usda.gov)

## Hispanic and Women Farmer and Rancher Claims Period

**USDA has announced that Hispanic and women farmers and ranchers who allege discrimination by the USDA in past decades can file claims between Sept. 24, 2012 and March 25, 2013.**

The process offers a voluntary alternative to litigation for each Hispanic or female farmer and rancher who can prove that USDA denied their applications for loan or loan servicing assistance for discriminatory reasons for certain time periods between 1981 and 2000.

As announced in February 2011, the voluntary claims process will make available at least \$1.33 billion for cash awards and tax relief payments, plus up to \$160 million in farm debt relief, to eligible Hispanic and women farmers and ranchers. There are no filing fees to participate in the program.

The Department will continue reaching out to potential Hispanic and female claimants, around the country to get the word out to individuals who may be eligible for this program so they have the opportunity to participate.

Call center representatives can be reached at 1-888-508-4429. Claimants must register for a claims package (by calling the number or visiting the website) and the claims package will be mailed to claimants. All those interested in learning more or receiving information about the claims process and claims packages are encouraged to attend meetings in your communities about the claims process and contact the website or claims telephone number.

**Website:** [www.farmerclaims.gov](http://www.farmerclaims.gov)

**Phone:** 1-888-508-4429

**Claims Period: Sept. 24, 2012 - March 25, 2013.**

Independent legal services companies will administer the claims process and adjudicate the claims. Although there are no filing fees to participate and a lawyer is not required to participate in the claims process, persons seeking legal advice may contact a lawyer or other legal services provider.
