

FSA AT WORK ACROSS MISSOURI 2014

"The USDA Farm Service Agency delivered more than \$821 million in federal program payments and loans to Missouri farmers and ranchers during fiscal year 2014. Missouri agriculture benefits greatly from the tireless efforts of our dedicated employees and locally elected County Committees."

- Mark Cadle, State Executive Director

Commodity Program Payments: \$230.3 million

Missouri producers received substantial monetary support during FY 2014 in the form of commodity and price support program payments.

\$155,132,676 - Direct and Counter Cyclical Program (DCP) Direct payments provide income support to producers of eligible commodities based on production history (acreage and yields) and do not depend on the current production choices. Counter-cyclical payments are made when the effective price for eligible commodities is less than the target price.

\$29,016,515- Average Crop Revenue Election Program (ACRE) provides revenue-based payments as an alternative to receiving price-based counter-cyclical (CC) payments.

\$51,323 - Milk Income Loss Contract (MILC) provides compensation to dairy producers when domestic milk prices fall below a specified level.

\$6,598,364 - Farm Storage Facility Loans (FSFL) The Commodity Credit Corporation (CCC), through FSA, may make loans to producers to build or upgrade farm storage and handling facilities for eligible commodities.

\$37,479,057 - Commodity Loans are available to eligible producers who use crops as collateral. The Commodity Credit Corporation (CCC) makes loans for eligible commodities that are farm or warehouse stored.

Conservation: \$109.8 million

FSA made significant investments toward conserving and improving soil, water, and wildlife resources in Missouri. Conservation investments in FY 2014 include:

\$105,456,810 - Conservation Reserve Program (CRP) provides financial incentives, cost-share and rental payments to producers who convert highly erodible cropland or environmentally sensitive acreage to long-term vegetative cover.

\$1,442,535 - Emergency Conservation Program (ECP) provides emergency funding for farmers and ranchers to rehabilitate farmland damaged by natural disasters and carry out emergency water conservation measures during periods of severe drought.

\$51,323 - Dairy Indemnity Payment Program (DIPP) provides payments to dairy producers and manufacturers of dairy products when they are directed to remove their raw milk or products from the market because of contamination.

\$2,019,250 - Tobacco Transition Payment Program (TTPP) provides annual transitional payments for 10 years to eligible tobacco quota holders and producers. Payments began in 2005 and continue through 2014. Payments are funded through assessments of approximately \$10 billion on tobacco product manufacturers and importers.

Missouri Top 5 agriculture commodities, 2012

	Value of receipts thousand	Percent of state total farm receipts	Percent of US value
1. Soybeans	2,292,912	23.1	5.6
2. Corn	1,889,673	19.0	2.7
3. Cattle & calves	1,852,684	18.6	2.7
4. Hogs	975,685	9.8	4.4
5. Turkeys	415,116	4.2	7.6
All commodities	9,940,400		2.5

*Top agriculture commodities data (above) will be updated with 2013 data by ERS in the fall of 2015.

Missouri Top 5 agriculture exports, estimates, 2013

	Rank among states	Value million \$
1. Soybeans	7	1,299.7
2. Soybean meal	7	328.6
3. Other Plant Products	25	304.2
4. Wheat	12	268.5
5. Pork	6	265.0
Overall rank	13	4,053.4

\$443,449 - Grassland Reserve Program (GRP) is a voluntary program designed to protect grasslands from conversion to cropland or other uses and conserve valuable grasslands by maintaining viable ranching operations.

\$2,472,722 - The Biomass Crop Assistance Program (BCAP) provides financial assistance to owners and operators of agricultural and non-industrial private forest land who wish to establish, produce and deliver biomass feedstocks.

Disaster Assistance: \$284.9 million

From drought to flood, freeze and tornadoes - FSA was financially responsive to Missouri producers following natural disasters.

\$165,841 - Non-Insured Crop Disaster Assistance Program (NAP) provides financial assistance to producers of noninsurable crops when low yields, loss of inventory, or prevented planting occurs due to natural disasters.

\$294,209 - Supplemental Revenue Assistance Payment (SURE) provides benefits for 2008 through 2011 crop year farm revenue losses due to natural disasters. It is the 2008 Farm Bill's successor to prior ad hoc crop disaster programs.

\$1,101,680 - Livestock Indemnity Program (LIP) provides partial reimbursements to eligible livestock owners for livestock losses suffered due to a natural disaster or other emergency.

Farm Loans: \$196.3 million

FSA offers various loan options to Missouri farmers and ranchers who manage family-sized operations and who were temporarily unable to obtain private or commercial credit.

\$127,750,606 - Guaranteed Loan Program FSA guarantees loans made by conventional agricultural lenders for up to 95 percent of any loss if the loan fails. In FY 2014, FSA guaranteed 272 farm ownership loans and 185 operating loans including 177 loans to beginning producers and 35 loans to underserved producers.

\$66,206,041 - Direct Loan Program FSA provides assistance to those unable to obtain guaranteed loans. In FY 2014, FSA funded 270 farm ownership loans and 556 operating loans, including 114 youth loans, 528 loans to beginning producers and 116 loans to underserved producers.

\$283,339,901 - Livestock Forage Program (LFP)

provides compensation to eligible livestock producers who have suffered grazing losses for covered livestock on land that is native or improved pastureland with permanent vegetative cover or is planted specifically for grazing.

\$9,807 - Tree Assistance Program for Orchardists and Nursery Tree Growers (TAP) provides financial assistance to replant or rehabilitate eligible trees, bushes and vines damaged by natural disasters.

\$1,847,320 - Microloans are direct farm operating loans with a shortened application process and reduced paperwork designed to meet the needs of smaller, non-traditional, and niche type operations. In FY 2014, 97 microloans were issued.

\$476,270 - Emergency Loan Program helps producers recover from production and physical losses due to drought, flooding, other natural disasters, or quarantine. In FY 2014, five emergency loans were issued.
