

# Conservation Programs that Address YOUR Needs

## CREP

Don't let erosion ruin your valuable cropland. With Farm Service Agency funding you can repair and reclaim eroding ground.

The Conservation Reserve Enhancement Program (CREP) allows eligible producers and landowners to address their conservation needs. In most cases with 100% of the cost covered!

After, stabilized waterway

Before, gully erosion

**100%**  
of costs  
covered

**50% Federal Cost-Share**  
**40% Practice Incentive Payment**  
**10% State Cost-Share**  
**Equals 100% satisfaction.**

Eligible practices:

- Riparian Forest Buffer
- Grassed Waterway
- Grass Filter Strips
- Contour Filter Strips
