2014 10th Annual Mid-Mo Women In Agriculture Conference

“Days of Our Lives....”

March 27, 2014 8:30 a.m.- 4:00 p.m.

Conference Location: California High School, 1501 West Buchanan.
 California, Missouri

You're Invited...

To the 10th Annual Mid-MO Women in Agriculture Conference. This year's conference will be held on Thursday, March 27, 2014, at the California High School and is open to all. A \$10 registration fee will fill your day with information, entertainment, good food and great company. This conference promises to have something of interest for everyone.

Doors will open at 8:30 for registration, all day shopping with the vendors, and Capital Region Medical Center's Heart Health Screening. Back by popular demand, our first General Session speaker is Carolyn Miller, Vintage Clothing collector. Carolyn will take you back in time as she presents: “The White Dress”. Breakout workshops begin at 11:15 a.m. Lunch will include entertainment by Osage County's Christy Brandt, followed by additional workshops. A second General Session will feature Cole County Sheriff Greg White. Sheriff White will discuss personal safety plus farm and property security as he shares his “Days in Rural Missouri”.

For past conferences, attendees have brought special items from the past to display and share. This year we request you bring items for the Rape and Abuse Crisis Service in Jefferson City to help those whose ‘days’ are quite different than ours.
