

# Transition to GovDelivery: Electronic Newsletters

Farmers in New Hampshire now have a more efficient, timely option for receiving important USDA Farm Service Agency (FSA) program eligibility requirements, deadlines and other program related information.

FSA is moving towards a paperless operation where news can be sent via e-mail right to your home, farm office or to your smartphone

**Submit your email address to the county office today!**

**\*\*Please know that your email address will be kept confidential\*\***

**GovDelivery is your one-stop shop for the most up-to-date  
USDA program information!**
