2 FLPRA Data

A Data Information

FLPRA risk elements evaluate data obtained from MAC, Web AgCredit, DLM, and FBP to determine potential risk to the financial integrity, program management, and program objectives of FLP. Data evaluated by FLPRA is based on information from the previous FY.

For FLPRA10 risk calculations to be as accurate as possible, all data **must** be updated and entered into the various automated systems no later than **September 30, 2009**.

B SED Action

SED's shall ensure that all FLP County Offices update all borrower/applicant data in MAC, Web AgCredit, DLM, and FBP no later than **September 30, 2009**.
