Adjusted Gross Income Form FSA-526 for CRP

Approved by: State Executive Director

1 Overview

A Background

Notices CRP-414 and 415 addressed the adjusted gross income (AGI) provisions of the new Farm Bill with respect to CRP. Those notices provided form CRP-1J for producers to certify compliance with AGI in the absence of 1-PL procedure and forms at the time. CRP contracts, with an effective date of October 1, 2002, and later, are required to have producer certification of AGI on the CRP-1J.

Handbook 1-PL, Part 6.5, now contains AGI provisions. Form CCC-526 is now utilized to obtain a producer's AGI certification and is applicable to CRP.

B Purpose

This notice requires counties to:

- utilize form CCC-526 for CRP purposes
- discontinue use of the CRP-1J.

2 Action

A County Office Action

Counties shall refer to provisions of 1-PL, Part 6.5, regarding AGI for CRP. Form CCC-526 shall be utilized. County offices shall:

- refer to 1-PL, Part 6.5, regarding AGI for CRP
- utilize form CCC-526 for CRP AGI purposes
- discontinue use of the CRP-1J

B AGI Determination

The AGI determination will be made once for the producer for the life of the CRP contract. If the producer does not meet AGI provisions at the beginning of the contract, that producer will not be able to earn benefits for the life of the contract; however, the producer may have an effective contract.
