SUBJECT: Pooling Limited Resource Operating  
Loan Funds - FY 1982

TO: State Directors  
Director, Finance Office

Effective immediately, all unobligated state allocations of limited resource operating loan funds are pooled nationally. You may forward loans to Finance Office without National Office concurrence. The Finance Office will obligate these loans on a first come, first served basis. It appears funds will be adequate for the remainder of the fiscal year.

CHARLES W. SHUMAN  
Administrator

EXPIRATION DATE: September 30, 1982

FILING INSTRUCTIONS: File  
Preceding FmHA Instruction
