FmHA AN No 1255 (1951)

August 30, 1985

SUBJECT: Farm Credit Initiative Reporting

TO: All FmHA State Directors

Purpose/Intended Outcome:

This Administrative Notice (AN) modifies the Farm Credit Initiative Report (FCI) from a weekly to a monthly report for the months of August and September 1985 due to the decline in activity. The monthly report for August will include data from August 9 through August 31, 1985, while the September report will include data from September 1 through September 30.

Comparison with Previous AN:

This AN is a supplement to FmHA AN No. 1162 (1951) dated April 26, 1985.

Implementation Responsibilities:

State Directors will be held accountable for the timely reporting of accurate and complete data from their County Offices which will be submitted in the following manner:

1. County Offices will continue mailing the FCI forms to their appropriate State Office on the day following the report cutoff date. This data will be collected cumulatively from August 9-31 and September 1-30, 1985. Negative reports are required; however, zeros do not need to be inserted -- fields for which there is no data may be left blank.
2. State Offices will continue to enter the data submitted from each County Office into the Farm Credit Initiative Reporting System operated at the Kansas City Computer Center (KCCC). The monthly report for August and September must be completed by the close of business September 6 and October 7 respectively.
