August 27, 1984

SUBJECT: Insured Farm Ownership Funds - FY 1984
Guaranteed Operating Funds - FY 1984

TO: State Directors and Assistant Administrator
Accounting and Director, Finance Office

The unobligated State balances of insured farm ownership loan funds for fiscal year 1984 will be pooled effective at the close of business August 24, 1984.

The President recently approved a supplemental appropriations bill that included \$25 million for insured farm ownership loans and \$150 million for guaranteed operating loans.

The pooled and supplemental farm ownership funds will be maintained in a pool under National Office control. Requests for hardship loans from the pool should be made by electronic mail when loans are ready for obligation. All previous requests for funds will be considered voided by this Administrative Notice.

The \$150 million guaranteed operating loan authority will be added to the present pool. Loans may continue to be obligated without contacting the National Office.
