Arkansas Counties Eligible for USDA Emergency Farm Loans

Washington, D. C., September 1, 2004 -- Administrator James R. Little named several parishes in Louisiana eligible for Farm Service Agency (FSA) emergency (EM) physical loss loans due to damages and losses caused by high winds and excessive rain that occurred on June 2, 2004.

In addition to the Louisiana parishes that are named as the primary disaster area, the following Arkansas counties are also eligible, because they are contiguous. Those counties are:

Farmers in the disaster areas have until May 2, 2005, to apply for the loans to help cover part of their actual losses. To be eligible, producers must have suffered severe physical losses, be able to repay the loan and any other loans, be unable to obtain credit elsewhere, and have adequate security.

Additional information regarding eligibility and other loan requirements may be obtained by contacting your local FSA county office. The Farm Service Agency is an Equal Opportunity Lender.
