## Oregon Notice FLP-68

It has been brought to our attention that a typographical error occurred which resulted in an incorrect Code of Federal Regulation (CFR) citation being made in Subparagraph 2 D on Page 3 of Oregon Notice FLP-68.

To correct this error, please make the following pen and ink change to Oregon Notice FLP-68:

**1. *Subparagraph 2 D on Page 3:***

Please change "7 CFR Part 2635" to read "5 CFR Part 2635" in this subparagraph.

**NOTE:** When reviewing this Oregon Notice, please remember that Notice PM-2109, as well as all other Notices and Oregon Notices referenced in Oregon Notice FLP-68, have expired. As a result, the clarifying comments, recommendations, and requirements of those expired notices may not reflect current Agency requirements. Nevertheless, the disclosure of any covered relationship displayed in the table in Subparagraph 2 A Oregon Notice FLP-68 is necessary.
