Oregon Notice FLP-66

The National Office has brought to our attention three paragraphs needing correction in Exhibit 1 of Oregon Notice FLP-66. The errors are typographical and formatting errors made as a result of copying and pasting text, and are found in the explanatory text of questions 4, 8, and 9 of the Service Center FLP Management Guide for Reviewing Civil Rights in Exhibit 1.

To make the needed corrections, please make the following pen and ink changes to Exhibit 1 of Oregon Notice FLP-66:

1. *Question (4) on Page 12:*

In the last sentence of the first paragraph under this question, please make the following changes:

- a. Please change the word "minorities" to read "females" in this sentence.
- b. Please change the word "non-minorities" to read "males and family units" in this sentence.

2. *Question (8) on Page 14:*

In the second sentence of the last paragraph under this question, please eliminate the word "no" so that the phrase "reflect no evidence" reads "reflect evidence" in this sentence.

3. *Question (9) on Page 15:*

In the second sentence on Page 15, please eliminate the word "no" so that the phrase "reflect no evidence" reads "reflect evidence" in this sentence.
