NAP 2001 Training Meeting

Approved by: State Executive Director

1 Overview

A

Background

The new NAP 2001 program that was approved by Congress and signed into law under the Agricultural Risk Protection Act of 2000 will be implemented as soon as the final regulations are published. It is expected that those regs will be published soon. Some new program information was relayed to County Offices at a recent training session in Bend. There will be National training provided during the week of June 4th. The information from the National training needs to be provided to County Offices.

B

Purpose

The purpose of this Notice is to provide information on County training sessions for NAP 2001. DDs, COR, CEDs and one PT from each County Office are expected to attend the appropriate training session.
