Filing Requirements – CCC-502

Approved by: State Executive Director

1 Overview

A Background

According to paragraph 50, 1-PL, (Rev 1), if the producer filed a new or updated CCC-502 for 2003 or a later year, the producer is not required to file or update the information or certification unless there is a change in the farming operations that would affect a determination.

2 Action

A Oregon Policy on Filing CCC-502

To help avoid possible overpayments from any payment limitation review, Oregon requires that CCC-502 be completed annually. One of the following shall be completed each year that a producer participates in any program that requires certification on CCC-502:

- A new CCC-502
- CCC-502U (applicable only if changes have been documented using CCC-502 photocopy or CCC-502 Continuation)
- A statement signed by the CED that the producer reviewed the current CCC-502.
