

**For:** Oregon County Offices

**SIP FY2002 Allocations**

---

**Approved by:** Larry E. Frey, State Executive Director

---

**1 Overview**

**A Purpose**

To provide COFs with FY 2002 Stewardship Incentive Program allocations as approved by the Oregon Department of Forestry.

County in Exhibit 1 of this notice lists the allocations.

COFs can increase their SIP ledgers by the amounts listed upon receipt of this notice. STO will also send allocation advice under separate cover.

---

**B Signup Period**

There will not be a signup period for FY 2002 for the SIP program for the following reasons:

1. We will fund applications already on hand at the Oregon Department of Forestry. These applications were from recent program signup but were not funded for lack of funding.
2. The money was allocated on a first come first serve basis of completed applications. There was not enough money to fund all the pending applications.
