Upload of the Management Record System (MRS) Application Data

Approved by: Deputy Administrator, Farm Credit Programs

SauAnne Kling

1 Overview

A

Background

Since 1993, the Farm Credit Programs application data in MRS has been uploaded from County Offices to their State Office and then uploaded to the mainframe computer in Kansas City. The application data is maintained in a FOCUS data base. FOCUS ad hoc reports and the Executive Information Service provide the application information for monitoring the processing of applications, application processing timeframe goals and reports to Congress and others. The application information is used to allocate loan funds and pool/redistribute funds according to the applications on hand in the States.

B

Purpose

This notice is to advise the Ag Credit Teams and State Offices of the need to continue uploading the MRS application data.
