USDA Mission
We provide leadership on food, agriculture, natural resources, rural development, nutrition and related issues based on sound public policy, the best available science, and efficient management.

USDA Vision
To expand economic opportunity through innovation, helping rural America to thrive, to promote agriculture production sustainability that better nourishes Americans while also helping feed others throughout the world, and to preserve and conserve our Nation’s natural resources through restored forests, improved watersheds, and healthy private working lands.

USDA Goal 1
Assist rural communities to create prosperity so they are self-sustaining, repopulating and economically thriving.

USDA Goal 2
Ensure our national forests and private working lands are conserved, restored, and made more resilient to climate change, while enhancing our water resources.

USDA Goal 3
Help America produce agricultural production and biotechnology exports as America works to increase food security.

USDA Goal 4
Ensure that all of America’s children have access to safe, nutritious, and balanced meals.

USDA Goal 5
Create a USDA for the 21st century that is high performing, efficient, and adaptable.

FSA Mission
To serve our nation’s farmers and ranchers professionally, efficiently, equitably, and in a manner that is customer, taxpayer, and employee-friendly.

FSA Vision
