9. SPECIAL PROGRAM INFORMATION:

Certain FSA programs are, by law, designed to reach targeted applicants. If you are interested in any of the programs described here, or have questions about these programs and whether you may qualify for a specific program, the FSA office processing your application will help you.

- A. SOCIALLY DISADVANTAGED APPLICANTS:** A portion of FSA farm ownership, operating, and conservation loan funds are, by law, targeted to applicants who have been subjected to racial, ethnic or gender prejudice because of their identity as a member of a group, without regard to individual qualities. Under the applicable law, groups meeting this condition are: American Indians/Alaskan Natives, Asians, Blacks or African Americans, Native Hawaiians/Other Pacific Islanders, Hispanics and women. In addition, FSA has a down payment program, which receives special funding.
- B. BEGINNING FARMER ASSISTANCE:** FSA has the authority to assist beginning farmers through the farm ownership, operating, and conservation loan programs. A portion of FSA farm ownership, operating, and conservation loan funds are, by law, targeted to beginning farmers. In addition, FSA has a down payment program, which receives special funding. In some States, FSA has agreements with State beginning farmer programs to help meet the credit needs of beginning farmers.
- C. LIMITED RESOURCE LOANS:** Limited resource farm ownership and operating loans are available to qualified applicants. This program provides loans at reduced interest rates to low-income farmers whose operations and resources are so limited that they cannot pay the regular rates for FSA loans. The program is also intended to provide beginning farmers the opportunity to start a successful farming operation.
