EQIP: Emergency Animal Mortality Management

EQIP Emergency Animal Mortality: Eligibility

- To receive assistance, both an application and approved early start waiver must be filed with the local NRCS field office prior to disposal of animal carcasses.
- Producers must have farm records established with the Farm Service Agency (FSA), meet all eligibility requirements.
- Prior to payment, a livestock or poultry mortality certification is required by a veterinarian or animal health specialist.
- Financial assistance is limited and not all applications will be funded.
- Payment limitations apply.
- Call the NRCS office at your local USDA Service Center. Find your local USDA Service Center at farmers.gov/service-center-locator.
