Presented by USDA & USDA Beginning Farmers and Ranchers Initiative
What's Their Mission?

New to farming? USDA can help and offers additional assistance to beginning farmers and ranchers. USDA considers anyone who has operated a farm or ranch for less than ten years to be a beginning farmer or rancher.

USDA can help you get started or grow your operation through a variety of programs and services, from farm loans to crop insurance, and conservation programs to disaster assistance.

BFR Q&A Monday's is an open beginning farmer and rancher community platform. The California Beginning Farmer and Rancher team will be available to answer your questions. All participants will benefit from direct feedback.

Whether it be farm loans, conservation contracts and land stewardship, risk management, or assistance in Rural Communities, we have created this time and space to assist you with your farm operation questions.

This event is OPEN TO THE PUBLIC
