1/ "All other program payments" includes supplemental and ad hoc disaster assistance, which in 2020 includes payments from Coronavirus Food Assistance Programs and the Paycheck Protection Program. 2/ Includes Price Loss Coverage, Agriculture Risk Coverage, loan deficiency payments (excluding grazeout payments), marketing loan gains, certificate exchange gains, and dairy payments.
Direct Government Farm Payments Forecast to decrease in calendar year 2021.

Supplemental and ad hoc disaster payments due to COVID-19 related assistance projected lower for the future.

Crop and animal receipts will hopefully represent a larger portion of farm income for 2021 and beyond.

Total production expenses, including expenses associated with operator dwellings, are forecast to increase.
