

## OREGON FARM SERVICE AGENCY DISASTER ASSISTANCE PROGRAMS for 2020 WILDFIRES

USDA offers a variety of programs and services to help communities, farmers, ranchers, and businesses that have been hard hit by the 2020 wildfires. Depending on the operation, these disaster assistance programs can help offset eligible losses. Emergency farm loan program assistance is also available. Please visit the links below for program and loan information or contact the Oregon FSA State Office or County Offices below.

USDA has also published a new brochure, [Disaster Assistance Programs At A Glance](#) on [farmers.gov/Recover](https://farmers.gov/Recover). The brochure is a quick reference guide to available Farm Service Agency (FSA), Natural Resources Conservation Service (NRCS) and Risk Management Agency (RMA) disaster assistance programs.
