### USDA Market Facilitation Program

USDA launched the trade mitigation package aimed at assisting farmers suffering from damage due to unjustified trade retaliation by foreign nations. Producers of certain commodities can now sign up for the Market Facilitation Program (MFP).

The sign-up period for MFP runs through Jan. 15, 2019, with information and instructions provided at [www.farmers.gov/mfp](http://www.farmers.gov/mfp). Eligible producers should apply after harvest is complete, as payments will only be issued once production is reported.

A payment will be issued on 50 percent of the producer's total production, multiplied by the MFP rate for a specific commodity. A second payment period, if warranted, will be determined by the USDA.

For a list of initial MFP payments rates, view the [MFP Fact Sheet](#).

MFP payments are capped per person or legal entity as follows:

- A combined \$125,000 for eligible crop commodities
- A combined \$125,000 for dairy production and hogs
- A combined \$125,000 for fresh sweet cherries and almonds

Applicants must also have an average adjusted gross income for tax years 2014, 2015, and 2016 of less than \$900,000. Applicants must also comply with the provisions of the Highly Erodible Land and Wetland Conservation regulations.

#### Expanded Hog Timeline

USDA has expanded the timeline for producers with whom the Aug. 1, 2018, date does not accurately represent the number of head of live hogs they own. Producers may now choose any date between July 15 to Aug. 15, 2018, that correctly reflects their actual operation.

MFP applications are available online at [www.farmers.gov/mfp](http://www.farmers.gov/mfp). Applications can be completed at a local FSA office or submitted electronically either by scanning, emailing, or faxing. To locate or contact your local FSA office, visit [www.farmers.gov](http://www.farmers.gov).

### 2019 Acreage Reporting Dates

In order to comply with FSA program eligibility requirements, all producers are encouraged to visit their local FSA office to file an accurate crop certification report by the applicable deadline.

Acreage reporting dates vary by crop and by county so please contact your local FSA office for a list of county-specific deadlines.

The following exceptions apply to acreage reporting dates:

- If the crop has not been planted by the applicable acreage reporting date, then the acreage must be reported no later than 15 calendar days after planting is completed.
- If a producer acquires additional acreage after the applicable acreage reporting date, then the acreage must be reported no later than 30 calendar days after purchase or acquiring the lease. Appropriate documentation must be provided to the county office.
- If a perennial forage crop is reported with the intended use of "cover only," "green manure," "left standing," or "seed," then the acreage must be reported by July 15th.
- Noninsured Crop Disaster Assistance Program (NAP) policy holders should note that the acreage reporting date for NAP covered crops is the earlier of the applicable dates or 15 calendar days before grazing or harvesting of the crop begins. For questions regarding crop certification and crop loss reports, please contact your local FSA office.

## USDA Expands Farm Loans for Native Americans Farming and Ranching on Tribal Land

### Borrower Training

Borrower training is available for all Farm Service Agency customers. This training is required for all direct loan applicants, unless the applicant has a waiver issued by the agency.

Borrower training includes instruction in production and financial management. The purpose is to help the applicant develop and improve skills that are necessary to successfully operate a farm and build equity in the operation. It aims to help the producer become financially successful. Borrower training is provided, for a fee, by agency approved vendors. Contact your local FSA Farm Loan Manager for a list of approved vendors.

### Loan Servicing

There are options for Farm Service Agency loan customers during financial stress. If you are a borrower who is unable to make payments on a loan, contact your local FSA Farm Loan Manager to learn about the options available to you.

## Sign in/Sign up!

Farmers, ranchers and agricultural producers have new online options to access U.S. Department of Agriculture (USDA) programs. Through USDA's new streamlined process, producers doing business as an individual can now register, track and manage their applications for the Market Facilitation Program (MFP) on the secure and convenient [www.farmers.gov](http://www.farmers.gov). Producers doing business as an individual first need to sign up for the Level 2 eAuthentication access. Currently USDA eAuthentication does not have the mechanism to issue accounts to businesses, corporations, other entities or for anyone acting on behalf of another individual or entity.

- Step 1: Create an online account at [www.eauth.usda.gov](http://www.eauth.usda.gov)
- Step 2: Complete identity verification by either using the online self-service identity verification method or by completing the identity verification in-person at your USDA Service Center.
- Step 3: You're enrolled
- Step 4: Contact your local USDA Service Center to have your new Level 2 account linked with your USDA customer record
- Step 5: You're ready to Log In

**Or go to your local USDA Service Center and our supportive staff will help you sign up for Level 2 Access right in the office! They will get you online so you can create an online account at <https://www.farmers.gov/sign-in>. You'll complete identity verification right on the spot. You're enrolled! Users with a secure Level 2 eAuthentication ID linked to their USDA customer record can apply for select USDA programs, view and print farm maps and farm records data. Enrolling is easy! Visit [farmers.gov/sign-in](http://farmers.gov/sign-in) to learn more.**

To locate a service center near you or use online services not requiring eAuthentication access, visit [www.farmers.gov](http://www.farmers.gov). For technical assistance, call the eAuthentication help desk at 1-800-457-3642.
