David Unverzagt

Next County Committee Meeting: July 21, 2016

Enrollment Period for 2016 USDA Safety Net Coverage Ends Aug. 1

Producers who chose coverage from the safety net programs established by the 2014 Farm Bill, known as the Agriculture Risk Coverage (ARC) or the Price Loss Coverage (PLC) programs, can visit FSA county offices through Aug. 1, 2016, to sign contracts to enroll in coverage for 2016.

Although the choice between ARC and PLC is completed and remains in effect through 2018, producers must still enroll their farm by signing a contract each year to receive coverage.

Producers are encouraged to contact their local FSA office to schedule an appointment to enroll. If a farm is not enrolled during the 2016 enrollment period, producers on that farm will not be eligible for financial assistance from the ARC or PLC programs should crop prices or farm revenues fall below the historical price or revenue benchmarks established by the program.

The two programs were authorized by the 2014 Farm Bill and offer a safety net to agricultural producers when there is a substantial drop in prices or revenues for covered commodities. Covered commodities include barley, canola, large and small chickpeas, corn, crambe, flaxseed, grain sorghum, lentils, mustard seed, oats, peanuts, dry peas, rapeseed, long grain rice, medium grain rice (which includes short grain and sweet rice), safflower seed, sesame, soybeans, sunflower seed and wheat. Upland cotton is no longer a covered commodity. For more details regarding these programs, go to www.fsa.usda.gov/arc-plc.

For more information, producers are encouraged to visit their local FSA office. To find a local FSA office, visit <http://offices.usda.gov>.

2016 ACREAGE REPORTING DATES

In order to comply with FSA program eligibility requirements, all producers are encouraged to visit the Goshen County FSA office to file an accurate crop certification report by the applicable deadline.

The following acreage reporting dates are applicable for Wyoming:

July 15, 2016: Spring Seeded Crops, CRP

November 15, 2016: Fall Seeded 2017 Crops (Wheat), Perennials (hay, pasture)

The following exceptions apply to the above acreage reporting dates:

- If the crop has not been planted by the above acreage reporting date, then the acreage must be reported no later than 15 calendar days after planting is completed.
- If a producer acquires additional acreage after the above acreage reporting date, then the acreage must be reported no later than 30 calendar days after purchase or acquiring the lease. Appropriate documentation must be provided to the county office.
- If a perennial forage crop is reported with the intended use of "cover only," "green manure," "left standing," or "seed," then the acreage must be reported by July 15th.
- Noninsured Crop Disaster Assistance Program (NAP) policy holders should note that the acreage reporting date for NAP covered crops is the earlier of the dates listed above or 15 calendar days before grazing or harvesting of the crop begins.

For questions regarding crop certification and crop loss reports, please contact the Goshen County FSA office at (307) 532-4880.

Farm Loan Program Information

Farm Service Agency (FSA) has loan programs that could help farmers and ranchers experiencing financial problems in today's economy of tight profit margins. Several types of loan programs are offered through FSA.

Under the Guaranteed Loan program, FSA guarantees farm ownership, term operating loans, and lines of credit used for annual operating through conventional agricultural lenders for guarantees up to 95%. The guarantee generally allows the conventional lender to provide the applicant with longer terms and lower rates of interest. All applicants must meet certain qualifying criteria to be eligible for guarantees. Farmers and ranchers interested in Guaranteed Loans should apply directly with a conventional lender, who arranges for the guarantee.

For those unable to qualify for a Guaranteed Loan, FSA offers Direct Loans, which are made and serviced by FSA officials. Funding is limited for Direct Loans, and applicants must sometimes wait until funds are available. To qualify for a Direct Farm Ownership or Operating Loan, the applicant must meet eligibility criteria and have sufficient repayment ability and loan collateral. FSA will work with you to analyze your situation, provide technical assistance, and tailor loans to meet your needs.

Youth between the ages of 10 and 21 may also apply for a direct loan up to \$5,000 associated with their 4-H, FFA, or other youth organization activities.

Farm Service Agency is an Equal Credit Opportunity Lender. Beginning farmers and members of traditionally underserved gender and ethnic groups are encouraged to apply for guaranteed and/or direct loan assistance from FSA. Each year, farm ownership and operating loan funds are temporarily set-aside to meet the needs of beginning farmers and traditionally underserved groups.

Anyone having questions, please call your local Farm Service Agency in Torrington WY at 307-532-4880.

USDA is an equal opportunity provider, employer and lender. To file a complaint of discrimination, write: USDA, Office of the Assistant Secretary for Civil Rights, Office of Adjudication, 1400 Independence Ave., SW, Washington, DC 20250-9410 or call (866) 632-9992 (Toll-free Customer Service), (800) 877-8339 (Local or Federal relay), (866) 377-8642 (Relay voice users).
