County Executive Director:
Tommy Stephens

Farm Loan Manager:
Duane Wisroth
(307) 532-4880

Program Technician:
Kimberly Nusbaum

County Committee:
Jason ZumBrunnen
Joe Kruse
Kurt Gaukel

Carol Geisinger, COC Advisor

Next County Committee
Meeting: August 16, 2018

USDA Resumes Continuous Conservation Reserve Program Enrollment

One-Year Extension Available to Holders of Many Expiring Contracts through Continuous Signup

As part of a 33-year effort to protect sensitive lands and improve water quality and wildlife habitat on private lands, the U.S. Department of Agriculture (USDA) will resume accepting applications for the voluntary [Conservation Reserve Program](#) (CRP). Eligible farmers, ranchers, and private landowners can sign up at their local [Farm Service Agency \(FSA\)](#) office between June 4 and Aug. 17, 2018.

FSA stopped accepting applications last fall for the CRP continuous signup (excluding applications for the Conservation Reserve Enhancement Program (CREP) and CRP grasslands). This pause allowed USDA to review available acres and avoid exceeding the 24 million-acre CRP cap set by the 2014 Farm Bill. New limited practice availability and short sign up period helps ensure that landowners with the most sensitive acreage will enroll in the program and avoid unintended competition with new and beginning farmers seeking leases. CRP enrollment currently is about 22.7 million acres.

2018 Signup for CRP

For this year's signup, limited priority practices are available for continuous enrollment. They include grassed waterways, filter strips, riparian buffers, wetland restoration and others. [View a full list of practices.](#)

FSA will use updated soil rental rates to make annual rental payments, reflecting current values. It will not offer incentive payments as part of the new signup.

USDA will not open a general signup this year, however, a one-year extension will be offered to existing CRP participants with expiring CRP contracts of 14 years or less. Producers eligible for an extension will receive a letter with more information.

CRP Grasslands

Additionally, FSA established new [ranking criteria](#) for [CRP Grasslands](#). To guarantee all CRP grasslands offers are treated equally, applicants who previously applied will be asked to reapply using the new ranking criteria. Producers with pending applications will receive a letter providing the options.

About CRP

In return for enrolling land in CRP, USDA, through FSA on behalf of the Commodity Credit Corporation (CCC), provides participants with annual rental payments and cost-share assistance. Landowners enter into contracts that last between 10 and 15 years. CRP pays producers who remove sensitive lands from production and plant certain grasses, shrubs and trees that improve water quality, prevent soil erosion and increase wildlife habitat.

The new changes to CRP do not impact the Conservation Reserve Enhancement Program, a related program offered by CCC and state partners.

Producers wanting to apply for the CRP continuous signup or CRP grasslands should contact their USDA service center. To locate your local FSA office, visit <https://www.farmers.gov>. More information on CRP can be found at www.fsa.usda.gov/crp.

Dates to Remember:

July 4 – Independence Day Holiday – Office Closed

July 16 – Final day to report spring seeded crops

Transitioning Expiring CRP Land to Beginning, Veteran or Underserved Farmers and Ranchers

Retired or retiring landowners or operators are encouraged to transition their Conservation Reserve Program (CRP) acres to beginning, veteran or underserved farmers or ranchers through the Transition Incentives Program (TIP). TIP provides annual rental payments to the retiring farmer for up to two additional years after the CRP contract expires, provided the transition is not to a family member.

Enrollment in TIP is on a continuous basis. Beginning, veteran or underserved farmers and ranchers and retiring CRP participants may enroll in TIP beginning one year before the expiration date of the CRP contract or Aug. 15. For example, if a CRP contract is scheduled to expire on Sept. 30, 2018, the land may be offered for enrollment in TIP beginning Oct. 1, 2017, through Aug. 15, 2018. The Aug. 15 deadline allows the Natural Resources Conservation Service (NRCS) time to complete the TIP sustainable grazing or crop production conservation plans. The TIP application must be submitted prior to completing the lease or sale of the affected lands.

New landowners or renters must return the land to production using sustainable grazing or farming methods.

For more information on TIP, visit <https://www.fsa.usda.gov/conservation>.

USDA to Provide Agricultural Credit Training, Expand Opportunities for Farmer Veterans and Beginning Farmers

USDA is partnering with the Farmer Veteran Coalition (FVC) to conduct agricultural credit training sessions in the Midwest for military veterans and beginning farmers and ranchers. States under consideration to host the workshops include Iowa, Illinois, Indiana, Michigan, Minnesota, Missouri, and Nebraska.

These workshops will provide individuals interested in farming as a career, including military veterans, with methods to improve business planning and financial skills, and improve understanding of the risk management tools that can help small farm operations.

Other partners include Niman Ranch a community network of more than 700 independent family farmers and ranchers, and the Farm Credit Council and the Farm Credit System, which provides loans, leases and financial services to farmers, ranchers and rural businesses across the United States. The workshops will also include assistance with credit applications and introductions to local or regional food markets.

To learn more about veterans in agriculture, visit www.usda.gov/veterans. Visit www.fsa.usda.gov/farmloans or your local Farm Service Agency (FSA) office to learn more about FSA's farm loan programs. To find your local FSA office, visit <http://offices.usda.gov>. More information also is available from the Farmer Veteran Coalition at www.farmvetco.org.

Persons with disabilities who require accommodations to attend or participate in this meeting should contact Tommy Stephens at 307-334-3454 extension 2 or Federal Relay Service at 1-800-877-8339.
