Alan Ista
Colter Ellsbury

CED Message

Hi Everyone!

I am sending out this special notice for a couple of important reasons. The first is in regards to tomorrow's Livestock Producer Workshop

We will be having our Livestock Producer Workshop, tomorrow.

The Workshop is tomorrow, Thursday, March 19th at 2pm. We will be at W Bar Feed and Ranch Supply, 1519 Highway 24 in Hulett.

In addition, to help accommodate busy schedules, as well as health concerns, we will be working with the Crook County Natural Resource District to offer a "**Live Streaming**" option through their Facebook Page. If you do not already follow the "[Crook County Natural Resource District](#)" on Facebook, please do so if you are interested in the live streaming option!

So, I hope to see you tomorrow in Hulett, but please take advantage of the Live Stream option if calving, colds, COVID-19, or anything else prevents your in person attendance!

The other item I have, is a general notice regarding our service center, in general.

Next County Committee Meeting:

May 19, 2020 @ 11:00 AM

Notice to Service Center Visitors

Our USDA Service Center is open for business, however, due to recent public health concerns, it is highly recommended that visitors call to schedule an appointment in advance.

When entering the service center, you will notice a sign on the door that will ask you to consider the following questions:

1. Do you currently have, or have you had within the last 24 hours, any cold or flu symptoms with a fever greater than 100.4 or acute respiratory distress (e.g., shortness of breath and coughing).
2. Have you, or someone living in your household, someone you've been in close or frequent contact with, or someone you are caring for been diagnosed with COVID-19 (Coronavirus) or had any contact with a confirmed case of COVID-19?
3. In the last 14 days, have you or someone living in your household, or someone you have been in close or frequent contact with, or someone you are caring for returned from, or made a travel connection through a CDC Level 3 or Level 2 country or State Department Level 3 or Level 4 country?

If you answer "yes" to any of these questions, we ask that you please not come inside. You can call 307-283-2870, extension 2, to schedule an appointment or to conduct business over the phone. You may also email me at sarah.hanlon@usda.gov.

We are more than happy to come up with unique solutions and work with you to complete any business or paperwork that needs done. We always enjoy seeing you, and we will do what we can to help you and your agriculture operation. But most importantly, we want everyone to stay healthy.

I would also ask anyone who answers "yes" to the above questions, or who is otherwise feeling unwell, to also please utilize the live streaming option instead of in person attendance, for tomorrow's workshop.

This is all I have for today, as usual, report any livestock or crop losses as soon as possible, and if you have any questions please let me know!

Thank you,

Sarah

Persons with disabilities who require accommodations to attend or participate in this meeting should contact Sarah Hanlon at 307-283-2870, extension 2 or Federal Relay Service at 1-800-877-8339.
