## Washakie-Hot Springs County FSA Updates

---

### Washakie-Hot Springs County FSA Office

208 Shiloh RD  
Worland, WY 82401

Phone: 307-347-2456  
Fax: 855-415-3445

### County Executive Director:

Lisa Bower, CED

### Farm Loan Manager:

Bill Morrison, FLM  
Tracy Neidig, FLOT

### Program Technicians:

Teresa Shelton  
Kelli Emmett

### County Committee:

Julie Haun, Chairperson  
Kirk Tolman, Vice-chairperson  
Jim Butterfield, Member  
Everett Jones, Member  
Arnold Pennoyer, Member

### Message from the CED

Greetings:

It is finally here. The Coronavirus Food Assistance Program (CFAP) application is going live on May 26<sup>th</sup>, 2020. Applications will be accepted through August 28, 2020. Please apply on the website located at <https://farmers.gov/CFAP>.

It is critical that you read the certification page. The certification is on page one of the AD-3114 application and you must read Part A – Producer Agreement before you complete and sign your application.

Please pay attention to item 3 that states “any production/sales/inventory eligible for payment must be subject to price risk.” That means that there cannot be a forward contract on your barley, corn or livestock because your contracted price would not have been affected by the impact that the virus has had on the market.

Also, when you complete the application for cattle – please note there are two columns. Column #21 is to list livestock sold. Column #22 is to list your livestock inventory.

For instance, your baby calves, who are part of a cow/calf pair - go into column #22 – line item feeder cattle – less than 600 pounds. Your cows, bulls and replacement heifers would also go in column #22 – line item All Other Cattle.

**Next County Committee Meeting: TBD**

If you have any questions, please call 307-347-2456 ext. 2. If the phone line is busy, please leave a message and we will return your call in the order that it was received. Also, my email address is [lisa.bower@usda.gov](mailto:lisa.bower@usda.gov).

Have a safe and fun Memorial Day weekend,

Lisa Bower  
County Executive Director

## **USDA Announces Details of Direct Assistance to Farmers through the Coronavirus Food Assistance Program**

U.S. Secretary of Agriculture Sonny Perdue today announced details of the Coronavirus Food Assistance Program (CFAP), which will provide up to \$16 billion in direct payments to deliver relief to America's farmers and ranchers impacted by the coronavirus pandemic. In addition to this direct support to farmers and ranchers, USDA's [Farmers to Families Food Box](#) program is partnering with regional and local distributors, whose workforces have been significantly impacted by the closure of many restaurants, hotels, and other food service entities, to purchase \$3 billion in fresh produce, dairy, and meat and deliver boxes to Americans in need.

Beginning May 26, the U.S. Department of Agriculture (USDA), through the Farm Service Agency (FSA), will be accepting applications from agricultural producers who have suffered losses.

### **Background:**

CFAP provides vital financial assistance to producers of agricultural commodities who have suffered a five-percent-or-greater price decline due to COVID-19 and face additional significant marketing costs as a result of lower demand, surplus production, and disruptions to shipping patterns and the orderly marketing of commodities.

Farmers and ranchers will receive direct support, drawn from two possible funding sources. The first source of funding is \$9.5 billion in appropriated funding provided in the Coronavirus Aid, Relief, and Economic Stability (CARES) Act to compensate farmers for losses due to price declines that occurred between mid-January 2020, and mid-April 2020 and provides support for specialty crops for product that had been shipped from the farm between the same time period but subsequently spoiled due to loss of marketing channels. The second funding source uses the Commodity Credit Corporation Charter Act to compensate producers for \$6.5 billion in losses due to on-going market disruptions.

### **Non-Specialty Crops and Wool**

Non-specialty crops eligible for CFAP payments include malting barley, canola, corn, upland cotton, millet, oats, soybeans, sorghum, sunflowers, durum wheat, and hard red spring wheat. Wool is also eligible. Producers will be paid based on inventory subject to price risk held as of January 15, 2020. A payment will be made based 50 percent of a producer's 2019 total production or the 2019 inventory as of January 15, 2020, whichever is smaller, multiplied by the commodity's applicable payment rates.

### **Livestock**

Livestock eligible for CFAP include cattle, lambs, yearlings and hogs. The total payment will be calculated using the sum of the producer's number of livestock sold between January 15 and April 15, 2020, multiplied

by the payment rates per head, and the highest inventory number of livestock between April 16 and May 14, 2020, multiplied by the payment rate per head.

## **Dairy**

For dairy, the total payment will be calculated based on a producer's certification of milk production for the first quarter of calendar year 2020 multiplied by a national price decline during the same quarter. The second part of the payment is based a national adjustment to each producer's production in the first quarter.

## **Specialty Crops**

For eligible specialty crops, the total payment will be based on the volume of production sold between January 15 and April 15, 2020; the volume of production shipped, but unpaid; and the number of acres for which harvested production did not leave the farm or mature product destroyed or not harvested during that same time period, and which have not and will not be sold. Specialty crops include, but are not limited to, almonds, beans, broccoli, sweet corn, lemons, iceberg lettuce, spinach, squash, strawberries and tomatoes. A full list of eligible crops can be found on [farmers.gov/cfap](https://farmers.gov/cfap). Additional crops may be deemed eligible at a later date.

## **Eligibility**

There is a payment limitation of \$250,000 per person or entity for all commodities combined. Applicants who are corporations, limited liability companies or limited partnerships may qualify for additional payment limits where members actively provide personal labor or personal management for the farming operation. Producers will also have to certify they meet the Adjusted Gross Income limitation of \$900,000 unless at least 75 percent or more of their income is derived from farming, ranching or forestry-related activities. Producers must also be in compliance with Highly Erodible Land and Wetland Conservation provisions.

## **Applying for Assistance**

Producers can apply for assistance beginning on May 26, 2020. Additional information and application forms can be found at [farmers.gov/cfap](https://farmers.gov/cfap). Producers of all eligible commodities will apply through their local FSA office. Documentation to support the producer's application and certification may be requested. FSA has streamlined the signup process to not require an acreage report at the time of application and a USDA farm number may not be immediately needed. Applications will be accepted through August 28, 2020.

## **Payment Structure**

To ensure the availability of funding throughout the application period, producers will receive 80 percent of their maximum total payment upon approval of the application. The remaining portion of the payment, not to exceed the payment limit, will be paid at a later date as funds remain available.

USDA Service Centers are open for business by phone appointment only, and field work will continue with appropriate social distancing. While program delivery staff will continue to come into the office, they will be working with producers by phone and using online tools whenever possible. All Service Center visitors wishing to conduct business with the FSA, Natural Resources Conservation Service, or any other Service Center agency are required to call their Service Center to schedule a phone appointment. More information can be found at [farmers.gov/coronavirus](https://farmers.gov/coronavirus).
