Cost share assistance is provided on a first come, first served basis, until all available funds are obligated. Applications received after all funds are obligated will not be paid. The National Office will provide guidance to State Offices if funds are expected to become unavailable before the end of the application period.
B Application Package

A complete application includes the following:

- a completed CCC-884
- USDA organic certificate

**Notes:** The format of certificates may vary by certifier. Certificates do **not** expire.

- itemized invoice showing expenses **paid** to a certifying agent for certification services

  **Note:** Records showing an amount due that do **not** indicate that payment has been made by the producer or handler will **not** be accepted.

- AD-2047, if not previously filed
- SF-3881, if not previously filed

  **Note:** The policy allowing hardship waivers of the EFT requirement applies to OCCSP. See 63-FI.

- CCC-901, Part A, if not previously filed and the applicant is an entity.

  **Notes:** CCC-901 is required for legal entities to identify individuals with signature authority according to 1-CM. If the entity chooses not to provide a completed CCC-901, Part A, the legal entity must provide sufficient documentation to support the authority of the individual signing on behalf of the entity.

  Apply the maximum payment per organic certificate and consider entities with separate certificates to be separate producers/handlers. For stores that have separate certificates for different locations, each location is considered a separate **--**handler and may obtain up to $750 per scope for program year 2023.--*

Additional documentation may be required by FSA if necessary to verify eligibility or issue the payment.

**Notes:** OCCSP applicants are **not** required to file an acreage report; however, County Offices may encourage producers who apply for OCCSP to file an acreage report to facilitate participation in other FSA programs and for use in their Organic System Plans.

Participating State agencies may develop their own application forms for OCCSP. FSA will **not** accept a State agency’s OCCSP application form in lieu of CCC-884.
