The next ELS payment rate announcement will be on May 16, 2019, at 4 p.m., Eastern Time.

ELS competitiveness payments are provided whenever, for 4 consecutive weeks, the lowest Friday through Thursday average adjusted price quotation for foreign growths (LFQ) is less than the Friday through Thursday average price quotation for U.S. Pima cotton, CFR Far East (USPFE); and the adjusted LFQ is less than 134 percent of the current crop year loan level for ELS cotton grade 2, staple 46, micronaire 3.5 or higher, strength 37.5 grams per tex and above (**80.30** cents per pound). Future payments will be established if price conditions warrant. Relevant data for the ELS competitiveness program follow:
