EXTRA LONG STAPLE (ELS) COTTON ANNOUNCEMENT

August 10, 2017

The Department of Agriculture's Commodity Credit Corporation announced that the competitiveness payment program payment rate in effect from 12:01 a.m., Eastern Time, Friday, August 11, 2017, through midnight, Eastern Time, Thursday, September 7, 2017, is zero. The next ELS payment rate announcement will be on September 7, 2017, at 4 p.m., Eastern Time.

ELS competitiveness payments are provided whenever, for 4 consecutive weeks, the lowest Friday through Thursday average adjusted price quotation for foreign growths (LFQ) is less than the Friday through Thursday average price quotation for U.S. Pima cotton, CFR Far East (USPFE); and the adjusted LFQ is less than 134 percent of the current crop year loan level for ELS cotton grade 2, staple 46, micronaire 3.5 or higher, strength 37.5 grams per tex and above (**80.85** cents per pound, which is updated in this announcement from 81.10 used in the last marketing year). Future payments will be established if price conditions warrant. Relevant data for the ELS competitiveness program follow:

Fri/Thurs Period Ending	Adjusted LFQ as % of ELS Loan Rate	USPFE Price	LFQ Price	USPFE Less LFQ	Payment Rate	Dates Applicable
..... cents/lb						
07/20/17	195.12	172.00	173.04	-1.04	0.00	(07/21-07/27)
07/27/17	195.12	172.00	173.04	-1.04	0.00	(07/28-08/03)
08/03/17	195.72	160.60	173.04	-12.04	0.00	(08/04-08/10)
08/10/17	195.72	153.00	173.04	-20.04	0.00	(08/11-09/07)

The adjusted LFQ = LFQ adjusted for the transportation cost between the United States and the Far East. Effective with this announcement, the transportation adjustment to the LFQ for calculating the LFQ as a percent of the ELS loan rate is **14.80** cents per pound. This is changed from the prior year's adjustment of 16.26 cents per pound.

To obtain an ELS agreement or to inquire regarding operational issues, please contact Richard Mashek, Kansas City Commodity Office at (816) 823-1134 or by e-mail Richard.Mashek@kcc.usda.gov
