SUPPLEMENTARY INFORMATION:

Title: Representations for Commodity Credit Corporation or Farm Service Agency Loans and Authorization to File a Financing Statement and Related Documents.

OMB Control Number: 0560-0215.

Expiration Date of Approval: July 31, 2021.

Type of Request: Extension with a revision.

Abstract: Form CCC-10, "Representations for Commodity Credit Corporation or Farm Service Agency Loans and Authorization to File a Financing Statement and Related Documents" is necessary to:

(a) Gather or verify basic data, provided by a CCC or FSA loan applicant, that is required on a financing statement filed by CCC or FSA to perfect a security interest in collateral used to secure a loan; and

(b) Obtain applicant permission to file a financing statement prior to the execution of a security agreement.

FSA's Farm Loan Programs (FLP) uses the CCC-10 when a nonapplicant third party pledges the full value of chattel security to FSA as adequate security required for an FLP loan.

FSA increased the number of respondents by 1,766 and the burden hours increased by 147. The applicants who are applying for farm loans to pledge security for a loan have increased since the last request. CCC's Marketing Assistance Loan and Farm Storage Facility Loan programs are exempted from Paperwork Reduction Act.

For the following estimated total annual burden on respondents, the formula used to calculate the total burden hours is the estimated average time per response multiplied by the estimated total annual of responses.

Estimated Annual Burden: The public reporting burden for this information collection is estimated to average 5 minutes per response (0.08 of an hours).

Respondents: Individual producers and farming entities.

Estimated Number of Respondents: 3,822.

Estimated Number of Responses per Respondent: 1.

Estimated Total Annual Response: 812.

Estimated Average Time per Response: 0.08 (average 5 minutes).

Estimated Total Annual Burden on Respondents: 385.

We are requesting comments on all aspects of this information collection to help us to:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;

(3) Evaluate the quality, ability and clarity of the information technology; and

(4) Minimize the burden of the information collection on those who respond through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information.

All responses to this notice, including names and addresses when provided, will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

SUPPLEMENTARY INFORMATION:

Title: CPAP 2.0.

OMB Control Number: 0560-0297.

Type of Request: Extension.

Abstract: This information collection is required to support CFAP 2.0 information collection activities to provide payments to eligible producers who, with respect to their agricultural commodities, have been impacted by the effects of the COVID-19 outbreak. The information collection is necessary to evaluate the application and other required paperwork for determining the producer's eligibility and assist in the producer's payment calculations. Producers must submit a completed CFAP 2 application and additional documentation for eligibility, such as certifications of compliance with adjusted gross income provisions and conservation compliance activities; those additional documents and forms must be submitted no later than 60 days from the date a producer signs the application.

FSA requested another emergency extension in order to continue the information collection request. After the comment period ended in the notice, the information collection request will be submitted under the regular process.

For the following estimated total annual burden on respondents, the formula used to calculate the total burden hour is the estimated average time per response multiplied by the estimated total annual responses.

Public reporting burden for this information collection is estimated to include the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed and completing and reviewing the collections of information.

Type of Respondents: Producers or farmers.

Estimated Annual Number of Respondents: 800,000.

Estimated Number of Responses per Respondent: 1.41.

Estimated Total Annual Responses: 1,133,000.

Estimated Average Time per Response: 0.76 hours.

Estimated Total Annual Burden on Respondents: 860,770 hours.

FSA is requesting comments on all aspects of this information collection to help us to:

(1) Evaluate whether the collection of information is necessary for the proper performance of the functions of the FSA, including whether the information will have practical utility;

(2) Evaluate the accuracy of the FSA's estimate of burden including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

All comments received in response to this document, including names and addresses when provided, will be a matter of public record. Comments will be summarized and included in the submission for Office of Management and Budget approval.

Title: Business and Industry Loan Program.

OMB Number: OMB No. 0570-0014.

Expiration Date of Approval: November 30, 2021.

Type of Request: Extension of a currently approved information collection.

Abstract: The Business and Industry (B&I) program was legislated in 1972, under Section 310B of the Consolidated Farm and Rural Development Act, as amended. The purpose of the program is to improve, develop, or finance businesses, industries, and employment and improve the economic and environmental climate in rural communities, including pollution abatement and control. This purpose is achieved through bolstering the existing private credit structure by making direct loans, thereby providing lasting community benefits. The B&I program is administered by the Agency through Rural Development State and sub-State Offices serving the State.

The collected information is submitted to the B&I loan official by loan applicants and commercial lenders for use in making program eligibility, financial feasibility determinations and loan security determinations as required by the Con Act.

The Agency is requesting an extension due to the number of applications submitted by borrowers remained unchanged over the past 3 years since the collection was last approved.

Estimate of Burden: Public reporting for this collection of information is estimated to average 3 hours per response.

Respondents: Individuals, rural businesses, for profit businesses, nonprofit businesses, Indian tribes, public bodies, cooperatives.

Estimated Number of Respondents: 16.

Estimated Number of Responses per Respondent: 4.31.

Estimated Number of Responses: 69.

Estimated Total Annual Burden on Respondents: 228 hours.
