Power of Attorney

For those who find it difficult to visit the county office personally because of work schedules, distance, health, etc., FSA has a power of attorney form available that enables you to designate another person to conduct your business at the office. If you are interested, please contact our office or any Farm Service Agency office near you for more information.

Revised Adjusted Gross Income Form

Note: as of 12/07/2011, we have a revised AGI CCC-931 form, if you have previously filed a 2012 AGI form and it is not on the revised form, we will require you to file a new form for you and your operation. This is a requirement for **the 2012 DCP Program signup**. **This form will replace the** need for the program participant to mail the IRS a separate form. The form requires the participant to fill out all items, including a full social or tax identification number. Forms not completed correctly will not be accepted.

NOTE: make sure you use your full name & address used to your file your tax returns. If it is not, IRS will reject it.

IRS form 1099-G Producers annually receive their CCC-1099-G forms detailing payments producers have received from the Commodity Credit Corporation. The annual report of program payments on the CCC-1099-G form is a service intended to help our customers report taxable income. It is not intended to replace the producers' responsibilities to report income to IRS.

FSA staff cannot interpret IRS regulations or advise producers about which payments to report on their income

tax returns. However, county office staff can review payments for accuracy.

Move with FSA to Instant Electronic Information

The USDA Farm Service Agency offices are moving toward a paperless operation.

Producers can now enroll in the new GovDelivery system for notices, newsletters and electronic reminders and discontinue their slow and costly paper copies received through the mail.

FSA, like many other organizations, is working smarter and more efficiently. Conversion to electronic notifications via email helps conserve resources and save taxpayer dollars.

County Committee ballots will continue to be mailed to all eligible producers.

Subscribe now to receive free e-mail updates by going to <http://www.fsa.usda.gov/subscribe> or use the box "Sign up for updates" on the FSA homepage.

Hispanic and Women Farmers

A process to resolve the claims of Hispanic and women farmers and ranchers who believe they were discriminated against when seeking USDA farm loans has been established.

If you believe that the United States Department of Agriculture (USDA) improperly denied farm loan benefits to you between 1981 and 2000 because you are Hispanic, or because you are female, you may be eligible to apply for compensation.

Farm Loan Program Limits

The Farm Service Agency is committed to providing family farmers with loans to meet their farm credit needs. If you are having trouble getting the credit you need for your farm, or regularly borrow from FSA, direct and guaranteed loans are currently available.

Ask your lender about an FSA loan guarantee if you've had a setback and your lender is reluctant to renew your loan.

Farm ownership loans or farm operating loans may be obtained as direct loans for a maximum of up to \$300,000. Guaranteed loans have a maximum limit of \$1,214,000 starting on Oct. 1, 2011.

The one-time loan origination fee charged on FSA guaranteed farm ownership and operating loans has increased from 1 percent to 1.5 percent of the guaranteed portion of the loan, for loans obligated after Oct. 1, 2011.

To find out more about FSA loan programs, contact the county office staff.

Beginning and Limited Resource Farmers

FSA assists beginning farmers and or members of socially disadvantaged groups to finance agricultural enterprises with financing through either direct or guaranteed loans. FSA defines a beginning farmer as a person who:

- Has operated a farm not more that 10 years
- Will materially and substantially participate in the operation of the farm
- Agrees to participate in a loan assessment, borrower training and financial management program sponsored by FSA
- Does not own a farm in excess of 30 percent of the county's median size.

Electronic Funds Transfer (EFT)

Program payments are now issued by EFT, changes in your bank or banking account information must be reported to the County Office immediately. Failure to report a change may result in transfers to a wrong or closed account, causing delays in receiving your payments.
