2011 FSA COUNTY COMMITTEE ELECTIONS**

“FSA County Committees – Your Participation Makes the Difference”

Use only from June 15 – Aug. 1, 2011

60-second PSA:

Husband: (Door opens and shuts) Hi Honey.

Wife: (On the phone) Ok, he just walked in. I'll let him know.

Husband: Who was that?

Wife: That was Willis Carver, you know...he owns Carver Farms a few miles down the hill.

Husband: Oh yeah, he's a nice young fella. What did he want?

Wife: Well, he sits on the Farm Service Agency county committee and he remembers that you attended a few of their meetings and gave some really good input. So he wanted to know if he could nominate you to sit on the committee.

Husband: Oh he did, did he? Well, you just call him back and tell him it's too late.

Wife: Too late? It's not too late. He said the nomination period doesn't close until August 15.

Husband: I know. But he can't nominate me because I picked up an application from the FSA county office and nominated myself (he says with a chuckle). (Both husband and wife share a laugh)

Wife: Well, it's a good thing you did. I really think you can make a difference.
