County Committees: The U. S. Department of Agriculture has a local connection with our farmers, the Farm Service Agency county committee system. County committees stand as a testament to USDA’s commitment to empowering locally led decision-makers. Since committee members are elected by their peers, and they themselves are active in farming, they understand the issues and problems that farmers are facing in their community.

Whether administering commodity programs, emergency programs, determining eligibility for loan programs or prioritizing conservation projects, USDA understands that some of the best decisions are made about agriculture by local groups on behalf of the Department to make a difference in their communities on conservation, marketing and outreach projects.

Committee Nominations Open: Nominations for candidates to run for the Farm Service Agency county committee election representing producers in Local Administrative Area (LAA) 2 will be accepted through August 1, 2011. LAA’s are election areas. Elections are held each year to elect or re-elect a member whose term will expire.

Carrollton FSA Service Center will be holding an election for a person to represent LAA 2 beginning January 1, 2012. The position is currently held by Jerry Oak. **LAA 2 includes the area of Trimble County.**

Nomination Forms: All nomination forms (FSA-669A’s) must be postmarked or returned to the Carrollton FSA Service Center not later than **August 1, 2011**. The form is available at the FSA Office or online at <http://intranet.fsa.usda.gov/FSA>.
