## Allegan County FSA Updates

---

### Allegan County FSA Office

1668 Lincoln Road  
Allegan, MI 49010-9410

Phone: 269-673-6940  
Fax: 269-673-9671

**County Executive Director:**  
David J. Mroczek / Ext #105

**Program Technicians:**  
Penny Andrews / Ext #105

Bruce Dean / Ext #104

Joel Walen / Ext #100

**Farm Loan Manager:**  
Paul E. Wagner  
Phone: 616-842-5852

### CRP Sign-Up: May 20th through June 14th

USDA will conduct a four-week general sign-up for the Conservation Reserve Program (CRP), beginning May 20 and ending on June 14. CRP protects the nation's natural resources through voluntary participation, while providing significant economic and environmental benefits to rural communities across the United States.

Currently, about 27 million acres are enrolled in CRP. Producers that are accepted in the program can receive cost-share assistance to plant long-term, resource-conserving covers and receive an annual rental payment for the length of the contract which is 10-15 years.

Contracts on 3.3 million acres of CRP are set to expire on Sept. 30, 2013. Producers with expiring contracts or producers with environmentally sensitive land are encouraged to evaluate their options under CRP.

For more information on CRP and other FSA programs, visit a local FSA service center or [www.fsa.usda.gov](http://www.fsa.usda.gov).

---

### DCP/ACRE Sign-Up Continues

The sign-up period for DCP and ACRE are still open. Producers are encouraged to sign up for DCP before the Aug. 2, 2013, deadline. An even earlier deadline is for ACRE, which will end June 3, 2013.

The 2013 DCP and ACRE program provisions are unchanged from 2012, except that all eligible participants in 2013 may choose to enroll in either DCP or ACRE for the 2013 crop year. This means that eligible producers who were enrolled in ACRE in 2012 may elect to enroll in DCP in 2013 or may re-enroll in ACRE in 2013. Likewise producers who were enrolled in DCP may opt for ACRE enrollment.

[Read more about DCP and ACRE](#) or contact the FSA county office for more information, or an appointment to enroll.

# 2013 FSA County Committee Elections

The election of agricultural producers to the Farm Service Agency (FSA) county committees is important to all farmers and ranchers, whether beginning or long-established, large or small operation. It is crucial that every eligible producer participate in these elections because FSA county committees are a link between the agricultural community and the U.S. Department of Agriculture.

County Committee (COC) members are a critical component of FSA operations. The intent is to have the COC reflect the makeup of the producers and represent all constituents. This means wherever possible, minorities, women or lower income producers need to be on the committee to speak for these underrepresented groups.

County committees provide local input on:

- Commodity price support loans and payments
- Conservation programs
- Incentive, indemnity and disaster payments for some commodities
- Emergency programs
- Payment eligibility.

FSA county committees operate within official regulations designed to carry out federal laws and members apply their judgment and knowledge to make local decisions.

## Election Period

- June 17, 2013 – The nomination period begins.
- Aug. 1, 2013 – This is the last day to file nomination forms (FSA-669A) at the local USDA Service Center.
- Nov. 4, 2013 – Ballots mailed to eligible voters.
- Dec. 2, 2013 – Last day to return completed ballots to the USDA Service Center.
- Jan. 1, 2014 – Newly elected county committee members take office.

## Who Can Hold Office

To hold office as a county committee member, a person must meet the basic eligibility criteria:

- Participate or cooperate in a program administered by FSA
- Be eligible to vote in a county committee election
- Reside in the local administrative area (LAA) in which the person is a candidate.

Not have been:

- Removed or disqualified from the office of county committee member, alternate or employee
- Removed for cause from any public office or have been convicted of fraud, larceny, embezzlement or any other felony
- Dishonorably discharged from any branch of the armed services.

## Nominations

To become a nominee, eligible individuals must sign nomination form FSA-669A. The form includes a statement that the nominee agrees to serve if elected. This form is available at USDA Service Centers and [online](#).

Nomination forms for the 2013 election must be postmarked or received in the local USDA Service Center by close of business on Aug. 1, 2013.

Agricultural producers who participate or cooperate in an FSA program may be nominated for candidacy for the

county committee. Individuals may nominate themselves or others as a candidate. Additionally, organizations representing minority and women farmers or ranchers may nominate candidates. Nomination forms are filed for the county committee of the office that administers a producer's farm records.

### **Who Can Vote**

Agricultural producers of legal voting age may be eligible to vote if they participate or cooperate in any FSA program. A person who is not of legal voting age but supervises and conducts the farming operations of an entire farm also may be eligible to vote. More information about voting eligibility requirements can be found in the FSA fact sheet titled "FSA County Committee Election – Eligibility to Vote and Hold Office as a County Committee Member." Producers may contact their local USDA Service Center for more information.

---

## **COC Election Nominations**

The election of agricultural producers to Farm Service Agency (FSA) county committees is important to ALL farmers and ranchers. It is crucial that every eligible producer participate in these elections because FSA county committees are a link between the agricultural community and the U.S. Department of Agriculture (USDA).

County committee members are a critical component of the operations of FSA. They help deliver FSA farm programs at the local level. Farmers and ranchers who serve on county committees help with the decisions necessary to administer the programs in their counties. They work to ensure FSA agricultural programs serve the needs of local producers.

FSA county committees operate within official regulations designed to carry out federal laws. County committee members apply their judgment and knowledge to make local decisions.

The COC nomination period runs from June 17, 2013 through August 1, 2013. The nomination form is available at USDA Service Centers and [online](#).

For more information contact your local FSA office.

---

## **Crop Reporting**

After spring planting, producers should certify their 2013 acreage. Filing an accurate acreage report for all crops and land uses, including failed acreage and prevented planting acreage, can prevent the loss of benefits for a variety of programs.

Failed acreage must be reported within 15 days of the disaster event and before disposition of the crop. Prevented planting must be reported no later than 15 days after the final planting date.

Acreage reports are required for many Farm Service Agency programs. For crops enrolled in programs other than NAP (Noninsured Crop Disaster Assistance Program), acreage reports are to be certified by November 15 for forage and fall seeded small grains, and July 15 for all other crops. Acreage reports on crops covered by NAP are due in the county office by the date specified in the NAP Agreement.

## Online Data Tool for Public

The USDA Race, Ethnicity, and Gender Program Statistics query tool, known as REGStats, is the official new tool of the United States Department of Agriculture (USDA) for making program application and participation rate data available to the public on the Internet.

The REGStats website provides summary information about the number of individuals and entities that apply for, and receive, federal assistance from four USDA agencies or mission areas – the Farm Service Agency (FSA), the Natural Resources Conservation Service (NRCS), Rural Development (RD), and the Risk Management Agency (RMA).

The information available in REGStats includes the number of applicants and recipients, by fiscal year, for USDA programs available to agricultural producers and landowners, categorized by race, ethnicity, and gender. Summary totals may be obtained nationally, or by state and county for the 50 states, as well as the U.S. territories.

Visit the online site: <http://www.regstats.usda.gov>

---

## Loans for the Socially Disadvantaged

FSA has a number of loan programs available to assist applicants to begin or continue in agriculture production. Farm operating loans are available as well as loans to purchase or improve farms or ranches.

While all qualified producers are eligible to apply for these loan programs, the FSA has provided priority funding for members of socially disadvantaged applicants.

A socially disadvantaged applicant is one of a group whose members have been subjected to racial, ethnic or gender prejudice because of his or her identity as members of the group without regard to his or her individual qualities.

For purposes of this program, socially disadvantaged groups are women, African-Americans, American Indians, Alaskan Natives, Hispanics, Asian-Americans and Pacific Islanders.

FSA loans are only available to applicants who meet all the eligibility requirements and are unable to obtain the needed credit elsewhere.
