Nominations for County Committee Open June 15

County Committee (COC) members are a critical component of the operations of the Farm Service Agency (FSA). They help in the delivery of FSA farm programs at a local level, as well as work to make FSA farm programs serve the needs of local producers.

Since County Committee elections happen once a year, here is a refresher. For election purposes, counties are divided into local administrative areas, or LAAs. Each LAA elects one producer to serve a three-year term on the Farm Service Agency County Committee.

Each year, an election is held in an LAA to replace and/or elect the committee member whose three-year term is expiring. Genesee County will be holding an election for a person to represent LAA #1, which includes Clayton, Flushing, Montrose, Mt. Morris & Vienna Townships. This position is currently held by Ronald Dieck.

Nominations for candidates to run for the FSA County Committee election representing producers in Local Administrative Area #1 will be accepted from June 15, 2010, through August 2, 2010.

Producers who are of legal voting age and are eligible to vote in LAA #1 and who participate and/or cooperate in FSA programs, may be nominated to serve on the county committee.

Individuals may nominate themselves or others as candidates. Additionally, organizations representing minority and women farmers may nominate candidates. All farmers, ranchers and other agricultural producers are encouraged to participate.

To be valid, the nomination form must be signed by the person being nominated, indicating agreement to serve if elected, and returned to the FSA county office by the close of business on August 2, or postmarked by midnight August 2, 2010.

A nomination form, FSA-669A, is included in this newsletter. More information on the elections, including nomination forms, is available at the county office or online at: <http://www.fsa.usda.gov/elections> .

-Attention Landowners-

FSA is finding that many of you are transferring your property into trusts. Regulations require FSA to record revisions when land changes hands, even if it's from an individual to his or her trust. FSA requires proof of ownership to update farm records. This ensures that FSA program contracts list the correct landowner. **If you're to the point of recording deeds in your trust's name, contact FSA immediately.** Program payments may be delayed if information is not kept current.

Wetland Compliance

If you plan on clearing, draining, or dredging land, or perform tile maintenance of any kind, you need to file an AD-1026 with our office before you begin. Failure to do so could result in the loss of USDA benefits.

NOMINATION FORM FOR COUNTY FSA COMMITTEE ELECTION

This form allows individuals to nominate themselves or any other person as a candidate. If additional forms are needed, this one may be copied or may be obtained at the County FSA Office or obtained electronically at <http://www.sc.egov.usda.gov>. Each form submitted must be:

- A. Limited to one nominee.
- B. Signed and dated by the nominee in Item 3. Nominee must sign if willing to have his/her name placed on the ballot and agrees to serve if elected.
Note: Name shown on ballot will appear exactly the same as in Agency records.
- C. Delivered to the County FSA Office or postmarked no later than August 2, 2010.
- D. Signed and dated as a write-in candidate if elected as a member and willing to serve on the COC.

The County FSA Committee is responsible for reviewing each form to determine the eligibility of nominees. A person who files this form and is found ineligible will be so notified and have an opportunity to file a challenge.

Persons nominated should actively participate in the operation of a farm or ranch and be well qualified for committee work. A producer is eligible to be a County FSA committee member if the producer resides in the Local Administrative Area (LAA) in which the election is to be held and is eligible to vote.

Federal regulations may prohibit County FSA Committee members from holding certain positions in some farm, commodity, and political organizations if such positions pose a conflict of interest with FSA duties. The positions include functional offices such as president, vice president, secretary, or treasurer; and positions on boards or executive committees. Conflict of interest restrictions also apply to employees, operators, managers, and majority owners of tobacco warehouses. Questions concerning eligibility should be directed to the County FSA Office.

A candidate has the option to request that all voted ballots for an individual county committee election be returned to the respective State Office in lieu of being returned to the county office. This request must be in writing and submitted to the local County Executive Director prior to the announced end of the nomination period.

The duties of County FSA Committee members include:

- A. Administering farm program activities conducted by the County FSA Office.
- B. Informing farmers of the purpose and provisions of the FSA programs.
- C. Keeping the State FSA Committee informed of LAA conditions.
- D. Monitoring changes in farm programs.
- E. Participating in county meetings as necessary.
- F. Performing other duties as assigned by the State FSA Committee.
