Section 3 Quantity and Quality Determinations

26 Quantity Eligible for Loan or LDP

A Eligible Quantity

--Any 2019 through 2023 peanut crop produced by a producer on a farm is considered-- eligible, **except** as provided in paragraph 27.

For loan eligibility, peanuts:

- *--**must not** contain less than 2.50 percent, and no more than 10.49 percent moisture

Note: Peanuts exceeding 10.49 percent moisture are ineligible for a nonrecourse loan.--*

- that contain more than 4.0 percent foreign material will be discounted according to the peanut discounts table in Exhibit 8.

--Eligible quantities for MAL's on warehouse-stored Seg. 1, 2, and 3 peanuts must be in-- "Total Tons", that is the sum of "Net Tons" and Net LSK Tons", from the warehouse receipt for peanuts.

B Approved Storage

Peanuts stored in approved farm-storage structures are eligible for farm-stored loans. Eligible farm-storage structures **must**:

- be located on or off the farm, excluding public warehouses
- provide safe storage for the peanuts through the loan maturity date
- be measurable.

Peanuts can be stored in bags, if all of the conditions in 8-LP, paragraph 522 are met for storing commodities in bags.

Warehouse-stored loans are available only on peanuts actually stored in CCC-approved warehouse operating under an approved Peanut Storage Agreement at the time either of the following occurs:

- warehouse-stored loan is requested
- farm-stored loan collateral is transferred to warehouse-storage.

C Farm-Stored Peanuts

Farm-stored loans and LDP's will be limited to 100 percent of the eligible certified or measured quantity for initial loan disbursements and LDP's made during the loan availability period.

26 Quantity Eligible for Loan or LDP (Continued)**D Warehouse-Stored Peanuts**

For warehouse-stored peanuts, price support will be limited to 100 percent of the eligible net quantity, including LSK's, recorded on warehouse receipts submitted during the loan availability period.

Note: If the quantity on the receipt represents eligible and ineligible quantities, require the producer to obtain a receipt representing **only** the eligible quantity. Any cost for replacement receipts shall be paid by the producer.

E Individual Loans or LDP's

Any eligible peanuts **not** delivered to an approved CMA shall be eligible for individual loans or LDP's, according to subparagraph A.

F CMA Loans or LDP's

Approved CMA's shall be eligible for farm- and warehouse-stored loans or LDP's on the eligible quantity that CMA members deliver to CMA for which requests are filed according to subparagraph A.

Note: See paragraph 18 for additional eligibility requirements for CMA's requesting farm-stored loans or LDP's.

G DMA Loans or LDP's

Approved DMA's shall be eligible for farm- and warehouse-stored loans or LDP's on the eligible quantity that producers deliver to DMA for which requests are filed according to subparagraph A.

***--Note:** Use 8-LP, paragraph 336, to determine the maximum quantity eligible for loan or--* LDP.

H LDP Quantity Requested and Denied

Peanuts requested for LDP and denied because of AGI provisions are **only** eligible for nonrecourse loan and has to be repaid at principal plus interest or through CCE.

27 **Quantity Ineligible for Loan or LDP**

A Loans

Quantities of peanuts are **not** eligible for loan if:

- previously placed under loan and redeemed with cash using an NPP repayment rate
- LDP has been requested and made on that quantity, **except** for subparagraph 26 H.

If ineligible peanuts are inadvertently placed under loan, call the loan according to 8-LP, *--Part 4. The producer is required to repay the principal plus interest.--*

B LDP's

Quantities of peanuts are **not** eligible for LDP if:

- previously placed under loan and repaid with cash at a rate less than principal plus interest
- LDP has been made on that quantity.

28 Maintaining Quality and Quantity**A Damaged Peanuts**

County Offices shall remind producers requesting farm-stored loans that damaged peanuts may deteriorate more quickly than peanuts that are in good condition, and that:

- CCC will **not** assume any loss in quality or quantity
- settlement will be based on the quality and quantity of the peanuts delivered.

B Cautioning Producers

County Offices shall caution producers that liquidated damages and administrative actions apply according to 8-LP, Part 4 if either of the following is determined for:

- loans, incorrect certification, unauthorized removal, or unauthorized disposition
- LDP's, incorrect certification.

C Quality on Farm-Stored Loans

Quality determinations will **not** be made for farm-stored loans at loanmaking. The quality of the peanuts will have to be determined if delivered to CCC at settlement.

D Quality on Warehouse-Stored Loans

Federal-State Inspection Services will provide the official grade determination and the grading factors shall be shown on the warehouse receipt.

29 Beneficial Interest

A Beneficial Interest Provisions

*--To obtain MAL or LDP, producers **must** have beneficial interest in the peanuts at the time--* of the request, and beneficial interest **must** be maintained through repayment for MAL's. CCC has determined that if a producer has control of the commodity, it is assumed that the producer has risk of loss of the commodity; therefore, the risk of loss component is removed when determining whether a producer has beneficial interest in the commodity. Beneficial interest consists of the producer maintaining control of the commodity and title to the commodity. If either of these conditions is **not** true, the producer does **not** have beneficial interest in the peanuts.

B Reviewing Contracts

The National Office will review and make the final beneficial interest determination for all peanut contracts that have **not** been approved to date. Steps in the following table **must** be followed **before** submitting contracts to the National Office. Annually, a list of approved peanut contracts will be provided to States.

Step	Action
1	County Offices shall, before approving a loan or LDP request: <ul style="list-style-type: none"> • require a copy of the contract • review the contract to ensure that beneficial interest remains with the producer until marketing • send a preliminary determination to the State Office for concurrence.
2	State Offices shall: <ul style="list-style-type: none"> • review the contract and preliminary determination • agree or disagree with determination • forward determination to the National Office for a final determination.
3	National Office shall: <ul style="list-style-type: none"> • review the contract and preliminary determination • agree or disagree with determination • send the final determination to all peanut States.

29 Beneficial Interest (Continued)**C Approved Contracts**

Any contract that has been reviewed and approved by FSA for determining the loss of beneficial interest is **not** interchangeable or replaceable unless the contract is amended, revised, or canceled before the earlier of the date:

- peanuts are harvested
- beneficial interest is lost.

D Amendments, Side Agreements, and Revisions

Any written and/or verbal agreement, or revision to the approved contract, with or without the producer's awareness, may cause the producer to lose beneficial interest and could result in refund of unearned benefits to CCC.

E Certification of No Contract

Producers **must** certify to no contract on CCC-491, according to 8-LP, subparagraph 228 B, if both of the following are true:

- the producer does **not** have a written contract
- there is reason to believe the producer may have lost beneficial interest in the commodity.

30-35 (Reserved)

88 Loanmaking for Warehouse-Stored Loans

A Acceptable Receipts

Producers must present acceptable warehouse receipts with their loan request.

--Acceptable warehouse receipts may either be paper receipts or EWR's recorded in a--
CFS maintained in 1 or more locations that are approved by FSA to operate such system.

Notes: Currently, peanut warehouses issue EWR's through a single provider (EWR, Inc.).

See Part 6, Section 10, for information on EWR's.

If any information on the warehouse receipts is incorrect or otherwise unacceptable
--for recording the loan in CLPS, County Offices will:--

- **not** approve the loan
- require the producer to do the following **before** approving the loan:
 - submit acceptable warehouse receipts
 - obtain CCC-679, if applicable
 - sign CCC-678.

B Warehouse Storage Charges

--The Agriculture Improvement Act of 2018 requires CCC to pay storage, handling, and--
other associated costs for peanuts that are forfeited. As a result, the warehouse-stored loan
rate will **not** be reduced if the warehouse receipt issued by the warehouse has **not** been paid
through the loan maturity date.

For peanuts that are placed under the warehouse-stored MAL that are subsequently forfeited
to CCC, CCC will pay storage from the date the documents are received to loan maturity,
handling, and associated costs.

Note: Producers are responsible for storage from the date the commodity is deposited to the
day before the documents are received.

C In-Handling Charges

*--The Agriculture Improvement Act of 2018 requires CCC to pay handling and other
associated costs other than storage, when peanuts are placed in the MAL Program for the
2019 through 2023 crop years. The Commodity Operations Division will continue to be
responsible for setting these rates for the 2019 through 2023 crop years.--*

88 Loanmaking for Warehouse-Stored Loans (Continued)**C In-Handling Charges (Continued)**

In-handling charges must be:

- paid to the storing warehouse at the time the loan is disbursed
- repaid when MAL is redeemed.

See Exhibit 12 for in-handling charges.

D Statement of Charges

--8-LP, paragraph 550 provides policies for authorizing offsets of amounts, contained on a-- separate statement of unpaid charges or a separate bill for unpaid charges, from the loan proceeds. These charges **must** be associated with the:

- handling of the commodity represented by the warehouse receipt
- marketing of the commodity pledged for loan collateral.

For peanuts, County Offices are authorized to **only** offset charges from the producer's loan proceeds associated with authorized charges in subparagraph 36 C. These charges are **not** considered a lien, but **must** be included on CCC-679, item 5 (c), if an offset will be made for these charges.

Note: If statement of approved charges is submitted by the sheller, the producer **must** sign the statement of charges. CCC-679 **must** be completed according to this subparagraph. However, if **no** lien exists, then at the bottom of CCC-679 write, "**No liens found**". A signature is **not** required on CCC-679 when no liens are found.
