## Move with FSA to Instant Electronic Information

The USDA Farm Service Agency offices are moving toward a paperless operation.

Producers can now enroll in the new GovDelivery system for notices, newsletters and electronic reminders and discontinue their slow and costly paper copies received through the mail.

FSA, like many other organizations, is working smarter and more efficiently. Conversion to electronic notifications via email helps conserve resources and save taxpayer dollars.

County Committee ballots will continue to be mailed to all eligible producers.

Subscribe now to receive free e-mail updates by going to <http://www.fsa.usda.gov/subscribe> or use the box “Sign up for updates” on the FSA homepage.

COMPENSATION  
FOR CLAIMS OF  
DISCRIMINATION**

To register your name to receive a claims packet, call the Farmer and Rancher Call Center at 1-888-508-4429 or visit: [www.farmerclaims.gov](http://www.farmerclaims.gov)

The claims package will have detailed information about the eligibility and claims process.

USDA is an equal opportunity provider and employer.

## Supplemental Revenue Assistance Program (SURE)

The sign-up for 2010 losses begins **Nov. 14, 2011** and will end **June 1, 2012**.

The Supplemental Revenue Assistance Program (SURE) provides benefits for farm revenue losses due to natural disasters that occurred in the crop year 2010. SURE is available to eligible producers on:

Farms in counties with Secretarial disaster declarations, including contiguous counties that have incurred at least a 10% crop production or quality loss, or both. All economically significant crops grown by a producer are eligible, **except** grazed crops.

Any farm in which disaster-related conditions reduced the actual crop year production on the farm to 50 percent or less than normal production of the farm.

## Hispanic and Women Farmers

A process to resolve the claims of Hispanic and women farmers and ranchers who believe they were discriminated against when seeking USDA farm loans has been established.

If you believe that the United States Department of Agriculture (USDA) improperly denied farm loan benefits to you between 1981 and 2000 because you are Hispanic or because you are female, you may be eligible to apply for compensation.

## Marketing Assistance Loans

Marketing Assistance loans are commodity loans available to producers who share in the risk of producing the crop. To be eligible, you must maintain beneficial interest in the crop through the time of application. Beneficial interest means retaining the ability to make decisions about the commodity, maintaining responsibility for loss or damage to the commodity, and maintaining title to the commodity. Once beneficial interest in a commodity is lost, the commodity is ineligible for a loan.

Commodity loan eligibility also requires compliance with conservation and wetland protection requirements; reporting use of cropland acreage on the farm and ensuring that the commodity meets CCC minimum grade and quality standards. For commodities to be eligible they must have been produced by an eligible producer, and exist in a storable and merchantable condition for food, feed or other uses as determined by CCC. The quality of the commodity in farm storage must be maintained throughout the term of the loan.

Producers do not have to participate in the Direct and Counter-Cyclical Program to be eligible for commodity loans.

**Avoiding Administrative Actions** - Violating provisions of a marketing assistance loan may trigger administrative actions, such as assessing liquidated damages, calling the loan and denial of future farm-stored loans.

The most common violations are removing or disposing of a commodity being used as loan collateral without prior authorization and providing an incorrect quantity certification.

## Unauthorized Disposition of Grain

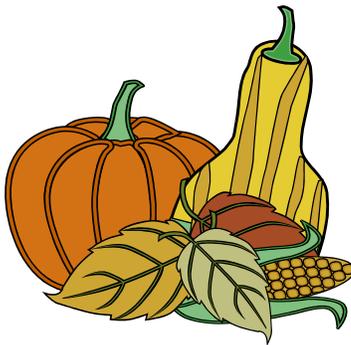

If grain under loan has been disposed of through feeding, selling or any other form of disposal without prior written authorization from the county office staff, it is considered unauthorized disposition. The financial penalties for unauthorized dispositions are severe and a producer's name is placed on a loan violation list for a two-year period. Always call to check for restrictions before you haul any grain under loan.

## Disaster Assistance Programs

The array of FSA disaster assistance programs include:

- Emergency Assistance for Livestock, Honey Bees, and Farm-Raised Fish (ELAP)
- Livestock Forage Disaster Program (LFP)
- Livestock Indemnity Program (LIP)
- Tree Assistance Program (TAP)
- Supplemental Revenue Assistance Payments (SURE) Program

To be eligible for SURE, TAP, and ELAP, producers must purchase catastrophic risk protection insurance for all insurable crops, and coverage for non-insurable crops. For LFP, grazed land must be covered. Farm-Raised Fish means all fish being produced for sale by an eligible producer. In the case of honey, the term "farm" means all bees and beehives in all counties that are intended to be harvested for a honey crop by the eligible producer. Producers who meet the definition of Socially Disadvantaged, Limited Resource Producer or Beginning Farmer or Rancher do not have to meet this risk management purchase requirement.

## Adjusted Gross Income Report to IRS – Act Now

Producers are reminded they must submit an Adjusted Gross Income (AGI) verification consent form (CCC-927 or CCC-928) to the IRS to maintain eligibility for 2010 and 2011 program benefits.

The consent form authorizes IRS to verify that a producer's AGI is within the requirements for FSA programs eligibility.

Producers who failed to file these forms before Sept. 2011 will receive a notice from the National Office that the producer is ineligible for 2010 and 2011 payments.

IRS requires written consent from all individuals or legal entities before verification of AGI eligibility can be provided to USDA. Individuals must submit form CCC-927 and legal entities must submit form CCC-928. Without these forms on file, eligible producers will not receive USDA program payments. For more information contact your local FSA office.

## Online Services

Producers with Internet access can fill out a variety of FSA forms online. Producers can also register for secure electronic access that will allow them to electronically sign and transmit some forms directly to the county office staff. If you are new to the website, first you will want to obtain a Level 2 USDA Service Center Customer ID and password at: <http://www.eauth.egov.usda.gov/> and then click on "Create an Account Page" link.

If you already have a Customer ID and password, then click on the following eForms website at: <http://forms.sc.egov.usda.gov/eforms/mainservlet> and then click on the "Sign In" button. A disclaimer window will open and after you read the "Warning message" click on the "Continue" button.

Then the USDA Web services page will open to the eAuthentication login page. Enter your login User ID and password and then click on the "Login" button. To sign and transmit forms electronically, you must sign-up and get a User ID and password.

## Loans for the Socially Disadvantaged

FSA has a number of loan programs available to assist applicants to begin or continue in agriculture production. Funds are available for operating loans and to purchase or improve farms or ranches (ownership loans.)

While all qualified producers are eligible to apply for these loan programs, the FSA has provided priority funding for members of socially disadvantaged applicants.

A socially disadvantaged applicant is someone who has been subjected to racial, ethnic or gender prejudice because of his or her identity as a member of a group, without regard to his or her individual qualities.

For purposes of this program, socially disadvantaged groups are women, African Americans, American Indians, Alaskan Natives, Hispanics, Asian Americans and Pacific Islanders.

FSA loans are only available to applicants who meet all the eligibility requirements and are unable to obtain the needed credit elsewhere.

## Changing Banks

Almost all Farm Service Agency payments are made electronically using Direct Deposit.

To maintain efficient payment processing, it is critical to keep the county office staff up to date on changes you might make with your financial institutions.

If you have made changes to accounts or have changed banking institutions, these changes might affect the direct deposit of your FSA payments. When changes like these are made, be sure to contact the FSA county office so we can update our records to ensure efficient and uninterrupted service.
