Barry Taylor  
Kathy Stattel

*"dedicated to achieving  
an economically and  
environmentally sound  
future for American  
Agriculture"*

**County Committee Elections** - Please join FSA in congratulating the winners of this year's County Committee election! 70 ballots were received for LAA #3 (Mercer and western Monmouth County) and counted in a public forum on December 8, 2011 resulting in Barry Taylor being re-elected as the regular member, Frank Jany as the first alternate and Christopher Pazdan as the second alternate. All members and alternates began their new term on January 1, 2012. The elected County Committee System works because of your participation and FSA thanks all who voted!

**Supplemental Revenue Assistance Program (SURE)** - Signup for the 2010 SURE program will be available through June 1, 2012. SURE provides benefits for farm revenue losses due to natural disasters in the 2010 crop year. A farm enrolled in SURE is eligible when either a portion of the farm is located in a county covered by a qualifying natural disaster declaration, which includes Monmouth, Mercer, and Middlesex Counties for 2010, or a contiguous county, or the actual production is less than 50% of the normal production.

**2012 DCP Signup** - 2012 Direct and Counter-Cyclical Program (DCP) enrollment will begin Jan. 23, 2012 and will end June 1, 2012. All producers planting on DCP base acres must be identified on the DCP/ACRE contract and receive a proportionate share of DCP/ACRE payment for the farm. Changes on the farm after enrolling June 1<sup>st</sup> in DCP/ACRE **must** be reported to your local FSA office such as ownership changes, producer changes (Individuals and Entities), and changes in crop shares arrangements. Changes cannot be made after Sept. 30, 2012.

**Payment Limitation/Eligibility** - Producers are reminded that no program benefits may be provided until all the necessary payment limitation and eligibility determinations have been made. Determinations are based on the facts as submitted by the producer, and as a program participant, it is the producer's responsibility to promptly notify the county FSA office of any

changes in the farming operation that would affect an "actively engaged in farming", or foreign person determination. Any changes in an operation may result in a new or revised CCC-902 and/or AD-1026 being required before any current year payments can be issued. Current payment limitation and eligibility requirements result in the following annual limits: Direct and Counter Cyclical Payment Program (DCP); direct payments (\$40,000) and counter-cyclical payments (\$65,000), ACRE: Direct Payment earned reduced by 20% - not to exceed \$32,000; Marketing Assistance Loans, Loan Deficiency Payments (LDP) and market gains (\$75,000), Conservation Reserve Program (CRP) (\$50,000), ELAP, LFP, LIP, and SURE \$100,000, and Non-Insured Assistance Program (NAP) (\$100,000); Emergency Conservation Program (ECP)(\$200,000).

**Appeal Process** - After an FSA official makes a decision on your request for USDA services or application, you will be sent a letter informing you of the decision and options you can pursue if you disagree. Generally, program participants have three choices: an informal review with the original agency decision-maker, an opportunity for mediation and finally an appeal to the next level of authority within the agency.

**Controlled Substance** - Any person who is convicted under federal or state law of a controlled substance violation could be ineligible for USDA payments or benefits. Violations include planting, harvesting or growing a prohibited plant. Prohibited plants include marijuana, opium, poppies and other drug producing plants.

**Farm Records Update** - If you have bought or sold land, or if you have picked up or dropped rented land from your operation, make sure to report the changes to the County Office as soon as possible and before Aug 1. You need to provide a copy of your deed or closing contract for purchased property. We recommend keeping your records up to date now to save you time in the spring. Failure to maintain accurate records with FSA on all land you have an interest in can lead to program ineligibility and penalties.

**Special Accommodations** - Special accommodations will be made, upon request, for individuals with disabilities, vision impairment or hearing impairment. If you require such accommodations, please call the FSA office.

**Bank Account Changes** - Current policy mandates that FSA payments be electronically transferred into your bank account. For timely payments to be made, producers need to notify the FSA County office staff if your account has been changed or if another financial institution purchases your bank. Payments can be delayed if the FSA office is not aware of updates to your account and routing numbers.

**Power of Attorney** - For those individuals who find it difficult to visit the office personally, the FSA has a Power of Attorney form available so you may designate another person to conduct your business at the office.

**Foreign Landowner Notification** - The Agricultural Foreign Investment Disclosure Act (AFIDA) of 1978 requires that any foreign person who acquires, transfers, or holds an interest in U.S. agricultural lands to report such holdings to the local USDA-Farm Service Agency office within 90 days of the transaction. Failure to do so may result in a fine of up to 25% of the property's fair market value. County government offices, realtors, attorneys and others involved in real estate transactions are reminded to notify foreign investors of these reporting requirements and that it is the foreign person's responsibility to report the land transaction.

### **Dates to Remember!**

**January 16, 2012** – Martin Luther King Day; office will be closed.

**February 1, 2012** - Next scheduled meeting of the County Committee (9:00am)

**March 15, 2012** - Next NAP sales closing date for 2012 Beans, Brussels Sprouts, Cantaloupe, Celery, Cucumbers, Eggplant, Honeydew, Oats, Okra, Peppers, Pumpkins, Squash, Sweet Potatoes, Tomatillos, Tomatoes, Watermelons, and Yams.

**Through June 1, 2012** – DCP and ACRE signup period for 2012.
