The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation and marital or family status. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audio/tape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (Voice and TDD).

To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, Room 326-W, Whitten Building, 14th and Independence Avenue, SW, Washington, D.C., 20250-9410 or call (202) 720-5964 (Voice or TDD). USDA is an equal opportunity provider and employer.

CONTROLLED SUBSTANCE

Any person who is convicted under federal or state law of a controlled substance violation could be ineligible for USDA payments or benefits. Violations include planting, harvesting or growing a prohibited plant. Prohibited plants include marijuana, opium, poppies and other drug producing plants.

POWER OF ATTORNEY

For those who find it difficult to visit the county office personally because of work schedules, distance, health, etc., FSA has a power of attorney form available that enables you to designate another person to conduct your business at the office. If you are interested, please contact our office or any Farm Service Agency office near you for more information.

SPOUSAL SIGNATURES

Husbands and wives may sign documents on behalf of each other for FSA and Commodity Credit Corporation programs in which either has an interest. This option is automatically available unless a written request for exclusion is made to the county office staff by either spouse.

FAXED SIGNATURES

Certain FSA program applications may be accepted by facsimile (fax) machine if Form FSA-237, Facsimile Signature Authorization and Verification, is on file. This authorization form should be completed, signed and witnessed by the FSA office staff, or notarized.

DISASTER PROGRAMS

Signup for Crop Disaster Assistance and Livestock Compensation continues. Deadlines for the above mentioned programs have not been established as yet, but we expect them in the very near future. Producers interested in participating should contact the County Office for further information and eligibility requirements.

CHANGING BANKS

Almost all Farm Service Agency payments are made electronically using Direct Deposit. This innovation has cut down on the number of missing and late payments and reduced the time required to move funds. It has been calculated that having a problem with a payment is 20 times greater with checks than with Direct Deposit. Another benefit is that Direct Deposit to your account can be made within 48 hours.

To keep the system running smoothly, it's important to keep the county office up-to-date on changes you might make in your financial institutions.

If you have changed accounts or institutions that might affect the direct deposit of your FSA payments, contact the FSA county office so we can update our files to insure uninterrupted service.

SELLING LAND

If you're planning to sell farmland, there may be some program consequences of which you should be aware. For example, if you're planning to sell land that's enrolled in the Conservation Reserve Program, the buyer must agree to continue the enrollment. If the buyer doesn't want to continue the CRP contract, you might have to refund all of the payments you've received to date.

Reviewing program implications with your local Farm Service Agency staff before completing a sale of farmland is always a prudent precaution.

REASONABLE ACCOMMODATIONS

Reasonable accommodations will be made, upon request, for individuals with disabilities, vision impairment, or hearing impairment to attend or participate in meetings or events sponsored by the Farm Service Agency. If you require special accommodations to attend or participate in one of our events, please call the FSA county office and we will be happy to make any needed arrangements.

FOREIGN BUYERS NOTIFICATION

The Agricultural Foreign Investment Disclosure Act requires all foreign owners of U.S. agricultural land to report their holdings to the Secretary of Agriculture. The Farm Service Agency administers this program for USDA.

Foreign persons who have purchased or sold agricultural land in the county are required to report the transaction to FSA within 90 days of the closing. Failure to submit the AFIDA form could result in civil penalties of up to 25 percent of the fair market value of the property. County government offices, Realtors, attorneys and others involved in real estate transactions are reminded to notify foreign investors of these reporting requirements.

BEWARE OF CROP INSURANCE REBATING SCHEMES

With the spring sales closing date for many Federal crop insurance policies right around the corner, crop insurance agents have stepped up their marketing efforts. The Risk Management Agency (RMA) has received reports from producers and agents that some aggressive marketers have been approaching producers with rebating offers. These schemes promise lower insurance premiums, refunds, dividends, or items of value tied to crop insurance purchases. Most of these activities are illegal. RMA reminds all Federal crop insurance program participants that it is now coordinating with state regulators to take appropriate regulatory action against all those who are found to promote or participate in such schemes. **Producers who are found to participate in illegal rebating activities will not only lose their crop insurance coverage but will also lose eligibility in all USDA programs.** Producers and agents can report suspicions of illegal rebating to the OIG Hotline: 1-800-424-9121.
